## APPLICATION: SIDNEY GROVE, LLC

## EXECUTIVE DIRECTOR ELIZABETH LINT:

Application: Sidney Grove, LLC has applied for a garage license at 240 Sidney Street for 106 vehicles an 1,060 gallons of gasoline in the tanks of autos only.

CHAIR ANDREA JACKSON: Is there anyone here for that application?

JOHN FELIX: Good evening.

CHAIR ANDREA JACKSON: Good evening.

If you could please state your name for
the record spelling first and last name please.

JOHN FELIX: John, J-O-H-N, Felix,
$E-E-L-I-X$.
us about the application and the project please.

JOHN FELIX: This is a new apartment
property. There will be 96 units. At the
request of the neighborhood, we have one parking space per unit and ten additional spaces for
gases. It is a four-story property under
construction presently due to be delivered

September/October of this year.

Rental, it is a rental property.

CHAIR ANDREA JACKSON: Rental property?

JOHN FELIX: Yes.

CHAIR ANDREA JACKSON: And I'm sorry,
when is it slated to be completed?

JOHN FELIX: September/October.

FIRE CHIEF GERALD REARDON: The garage
all above ground?

JOHN FELIX: The garage is all below
ground, all concrete and steel frame. We had a

```
walk through with Lieutenant Towski (phonetic)
two weeks ago, the second time he's visited the
property.
```

FIRE CHIEF GERALD REARDON: Do you have a
regular bidirectional amplifier slated to go in
there?
JOHN FELIX: Yes.
FIRE CHIEF GERALD REARDON: Is there a --
not the height, so you don't need a back-up
generator for the facility?
JOHN FELIX: No.
FIRE CHIEF GERALD REARDON: Thank you.
CHAIR ANDREA JACKSON: Any questions?
POLICE COMMISSIONER ROBERT HAAS: NO
questions.
CHAIR ANDREA JACKSON: Are there any
members of the public that wish to be heard in
this matter?
EXECUTIVE DIRECTOR ELIZABETH LINT: We do

```
have the abutter notifications this time.
    CHAIR ANDREA JACKSON: Perfect.
    I make a motion that we approve the
application for Sidney Grove, LLC for a garage
license at 240 Sidney Street for 106 vehicles of
1060 gallons of gasoline in the tanks of auto
only.
```

    Is there a second.
    FIRE CHIEF GERALD REARDON: Second.
    CHAIR ANDREA JACKSON: All those in favor
    signify by saying aye.
POLICE COMMISSIONER ROBERT HAAS: Aye.
FIRE CHIEF GERALD REARDON: Aye.
CHAIR ANDREA JACKSON: You are all set.
JOHN FELIX: Thank you very much.
APPLICATION: P.F CHANG'S CHINA BISTRO, INC.
D/B/A P.F CHANG'S BISTRO:
EXECUTIVE DIRECTOR ELIZABETH LINT:

```
Application: P.F. Chang's China Bistro, Inc.,
doing business as P.F. Chang's China Bistro,
Danielle Sainsbury, manager holder of an all
alcoholic beverages restaurant license to 100
Cambridgeside Place, has applied for a change of
officers and directors to a change of manager to
Tachung Chang.
    CHAIR ANDREA JACKSON: Good evening.
    ATTY MICHAEL BRANGWYNNE: Good evening
Commissioners. Michael Brangwynne on behalf of
P.F. Chang's.
```

    CHAIR ANDREA JACKSON: If you could spell
    your first name and last name, please.
MICHAEL BRANGWYNNE: It's Michael,
M-I-C-H-A-E-L. My last name is Brangwynne
$B-R-A-N-G-W-Y-N-N-E$.
CHAIR ANDREA JACKSON: And with you,
counsel?
ATTY MICHAEL BRANGWYNNE: Is Tachung

Change, who is part of the application for a new manager to replace Danielle Sainsbury.

CHAIR ANDREA JACKSON: So if you can tell
us about the application.

This is for a change of officers and
directors?

ATTY MICHAEL BRANGWYNNE: Yes, I will
begin with the officers and directors.

So we've applied -- this is the parent
company. Both the licensee, the parent company of the licensee, and the parent company of the parent company, or for lack of a better term, the grandparent company, all have the same officers and board of directors. Michael Ozenlou
(phonetic), we're applying for him to take over the role of CEO at all levels. He will be
replacing Mr. Federico as a CEO, who will remain on as a director, and also Mr. Laun (phonetic)
has left the company. That's reflected in our
application.

There's an attachment that shows the previously-approved officers and directors of the licensee of the parent companies and the proposed officers and directors, and we have submitted the appropriate documentation for -- to perform a

CORI check, and all the other personal
information necessary for Mr. Ozenlou (phonetic).

This will not affect the location in

Cambridge in any way. It is simply a change at the corporate level and will have no affect on
the restaurant in Cambridge. And if you would
like, $I$ don't know if the Board or the Commission would like to act on the matters separately, or
if they are combined, I can address the manager change as well.

CHAIR ANDREA JACKSON: If you can address the manager change as well, please.

ATTY MICHAEL BRANGWYNNE: We applied to

```
change Danielle Sainsbury with Tachung Chang, who
is sitting next to me.
    Mr. Chang is the official name on the
documents and he has a background in the service
industry.
```

This will be the first time he's been the manger of record but he has been TIPS certified in the past.

He has signed up to take Cambridge's

Proof 21 training, $I$ believe it is this coming Thursday, and he meets all the requirements to be the manager of record on a liquor license under the general laws and he's here with me today and happy to answer any questions the Commission might have as to his eligibility.

```
CHAIR ANDREA JACKSON: If you can tell us
```

about your background, please.

TACHUNG CHANG: I am from Taiwan.

CHAIR ANDREA JACKSON: Speak up.

TACHUNG CHANG: I am from Taiwan. I have been in the States for like 19 years now. And US citizen.

Got my US passport in 2006 .

Was with P.F. Chang's for eight years,
been the manager for three years for the
location, took over as an officer in february, so
try to replace Danielle Sainsbury, who left the company as the name on the license.

CHAIR ANDREA JACKSON: So you have been
with P.F. Chang's for eight years and you have
been a manager for three?

TACHUNG CHANG: Yes.

CHAIR ANDREA JACKSON: And you have never had a liquor license in your name before? TACHUNG CHANG: No. CHAIR ANDREA JACKSON: Do you foresee any challenges with having a liquor license in your name?

TACHUNG CHANG: No.

CHAIR ANDREA JACKSON: You said you
already registered, as counsel said, you
registered for 21 Proof training.

TACHUNG CHANG: Yeah, this Thursday.

And I used to be TIPS certified as well
and $I$ know Cambridge have their own, Proof 21 , so

I sign up for that on Thursday as well.

FIRE CHIEF GERALD REARDON: Have you been
at the Cambridgeside location for all eight
years?

TACHUNG CHANG: No. I started with

Natick first, and then $I$ go to Prudential for
almost two years back and forth. Natick for
two-and-a-half years, three years. And then

Cambridge location for three years.

CHAIR ANDREA JACKSON: The Cambridge
location for three years?

TACHUNG CHANG: Yes.

## EXECUTIVE DIRECTOR ELIZABETH LINT:

Backgrounds are okay.

CHAIR ANDREA JACKSON: Backgrounds are
okay.

Any questions?

FIRE CHIEF GERALD REARDON: All set.

CHAIR ANDREA JACKSON: Any questions?

POLICE COMMISSIONER ROBERT HAAS: NO questions.

CHAIR ANDREA JACKSON: Are there any
members of the public that wish to be heard in this matter?

Seeing none --

EXECUTIVE DIRECTOR ELIZABETH LINT: I
have a little paperwork.

So we have an extra hearing advertising check because you only really needed one, but we do need the second $\$ 10$ check for the CORI.

ATTY MICHAEL BRANGWYNNE: Okay, I can

```
either FedEx that.
```

EXECUTIVE DIRECTOR ELIZABETH LINT: You
can just send it, that's fine.

CHAIR ANDREA JACKSON: So I make a motion
that we approve the change of officers/directors and change of manager to Tachung Chang.

TACHUNG CHANG: Yeah, pretty good.

CHAIR ANDREA JACKSON: Is there a second?

FIRE CHIEF GERALD REARDON: Second.

CHAIR ANDREA JACKSON: All those in favor
signify by saying aye.

POLICE COMMISSIONER ROBERT HAAS: Aye.

FIRE CHIEF GERALD REARDON: Aye.

CHAIR ANDREA JACKSON: You are all set.

TACHUNG CHANG: Thank you very much.

        If you could please state your name for
    the record saying and spelling your first and
    last name, please.
            KEVIN MURRAY: First name is Kevin,

level with a day tank of 80 gallons of diesel
fuel and a fuel storage room located on the
ground level with 100 gallons of diesel.

FIRE CHIEF GERALD REARDON: So this
generator just does the elevator?
KEVIN MURRAY: Yes.
FIRE CHIEF GERALD REARDON: It is an
unusually small tank.
KEVIN MURRAY: Yes.
Everything else is on battery back-up,
all the other life safety, but the elevator we
are required to put the generator on.
FIRE CHIEF GERALD REARDON: And the
battery back-up you are using, is that a 48-volt
system or is it a --
KEVIN MURRAY: 277, I believe.

```
    FIRE CHIEF GERALD REARDON: With the
battery back-up 277 UPS?
    KEVIN MURRAY: I'm not sure.
    FIRE CHIEF GERALD REARDON: Okay, I was
just curious. And this garage is all above
ground?
```

    KEVIN MURRAY: That's correct.
    We do have a two-foot flat storage area,
    which is below grade but that's not accessible by
people.
FIRE CHIEF GERALD REARDON: Does this one
have a rated VDA plan as well?
KEVIN MURRAY: VDA, I'm not sure. I know
we have the fire alarm control panel and so
forth.
FIRE CHIEF GERALD REARDON: I'm all set.
CHAIR ANDREA JACKSON: Any questions?
POLICE COMMISSIONER ROBERT HAAS: No
questions.

```
CHAIR ANDREA JACKSON: Are there anY
```

members of the public that wish to be heard in
that matter?
Seeing none, I make a motion that approve
the application for SPUS 7 at 150 Cambridgepark
Drive, LP for a garage license with additional
flammable storage at 140 Cambridgepark Drive for
456 parking spaces with 4,560 gallons of gasoline
in tanks of vehicle only, 100 gallons of diesel
fuel in a fuel tank and 80 gallons of diesel in a
day tank.

Is there a second?

FIRE CHIEF GERALD REARDON: Second.

CHAIR ANDREA JACKSON: All those in favor
signify by saying aye.

POLICE COMMISSIONER ROBERT HAAS: Aye.

FIRE CHIEF GERALD REARDON: Aye.

CHAIR ANDREA JACKSON: You are all set.

KEVIN MURRAY: Ms. Lint, did you want
these?

EXECUTIVE DIRECTOR ELIZABETH LINT: Yes, please.

CHAIR ANDREA JACKSON: Over 25 years?
STAVROULA FOTOPOULOS: Yeah. More than
that. It was like 1980. 1985, I think. I don't
remember. It goes by so --
FIRE CHIEF GERALD REARDON: 30 years?
ELENI SARIDIS: Around there, yeah.
CHAIR ANDREA JACKSON: Any questions?
FIRE CHIEF GERALD REARDON: No questions.

## DISCIPLINARY: (CONTINUED FROM JULY 7, 2015

SHALIMAR, INC. D/B/A DOSA FACTORY:

EXECUTIVE DIRECTOR ELIZABETH LINT:

Disciplinary: Continued from July 7, 2015.

Shalimar, Inc., doing business as Dosa Factory,

Amrik Pabla manager, holder of a common victualer license at 571 Massachusetts Avenue due to a
report received by the License Commission from the Inspectional Service Department.

CHAIR ANDREA JACKSON: Is there anyone
here that wants to be heard in this matter?
(No response.)

CHAIR ANDREA JACKSON: So they received
notice?

EXECUTIVE DIRECTOR ELIZABETH LINT: They
did.

CHAIR ANDREA JACKSON: At the last minute
they asked for a postponement?

EXECUTIVE DIRECTOR ELIZABETH LINT: For
the last hearing.

CHAIR ANDREA JACKSON: Do we know what
the status is of the repairs?

EXECUTIVE DIRECTOR ELIZABETH LINT: I do.

My understanding from Captain Cahill is
that there was a leak in the gas fitting and the plumber was going to be going out.

FIRE CHIEF GERALD REARDON: That's --

CHAIR ANDREA JACKSON: No.

EXECUTIVE DIRECTOR ELIZABETH LINT: 2278.

CHAIR ANDREA JACKSON: It was from ISD?

EXECUTIVE DIRECTOR ELIZABETH LINT: Yes.

There's an inspection on Thursday. And ISD said
they will give us a report.

CHAIR ANDREA JACKSON: Do we know if the work was ever completed or this is what they are going back out to --

```
EXECUTIVE DIRECTOR ELIZABETH LINT:
```

That's what they are going to determine.

## CHAIR ANDREA JACKSON: Part of me says

that we can go ahead and continue this until our next hearing, but at the same time the fact that they didn't show is concerning to me. They had notice that the hearing was on for today.

That has been a problem that goes back to 2014 that we have been waiting for them to correct.

EXECUTIVE DIRECTOR ELIZABETH LINT: Yes, since December.

CHAIR ANDREA JACKSON: So I would like to make a motion that we issue them a warning. And then pending what we hear back from ISD, we may need to put them back on the agenda again. Is there a second?

FIRE CHIEF GERALD REARDON: Second.

CHAIR ANDREA JACKSON: All those in favor signify by saying aye.

POLICE COMMISSIONER ROBERT HAAS: Aye.

FIRE CHIEF GERALD REARDON: Aye.

## POLICY: NIP POLICY DISCUSSION:

EXECUTIVE DIRECTOR ELIZABETH LINT:

Policy: The Board of License Commissions will
discuss whether to adopt a policy requiring all
package stores to place any bottles either behind
the counter or on the counter in a protective case so they must be requested.

Such policy will prevent easy access to the bottles and help reduce the possibility of underage sales.

CHAIR ANDREA JACKSON: So this issue came up as a result of, $I$ believe, it was earlier this month with we had the hearing for Inman Wine and Spirits and we heard lots of testimony from neighbors who were in opposition to them opening but there was a concern expressed about nip bottles.

I know when the investigators have gone
out, they looked at the two liquor stores on

Mass. Ave in this area and their nip bottles are
located behind the counter, behind Plexiglass, on the counter behind Plexiglass, so I think as a policy, $I$ don't think we have any ability to say you can't have nip bottles, nor do $I$ think that's our jurisdiction. But $I$ think we should make a policy in terms of making nip bottles less accessible, so either requiring that they be placed behind the counter, or on the counter
behind the Plexiglass, so that when customers
come in, they have to ask for it instead of being easily accessible. I don't know if either of you have any thoughts about that.

FIRE CHIEF GERALD REARDON: I think
that's consistent with several other locations we have had over the years that have had some issues in terms of making them available but not making
them readily available, so someone can't take
those. So those people in getting them, they can
see them and have access to them only through the agents of the store as opposed to themselves, I think it's a good policy.

CHAIR ANDREA JACKSON: Are there any
members of the public that wish to be heard?

Sure.

Please come forward. Please have a seat.

BEN WEINER: My name is Ben Weiner,

W-E-I-N-E-R, and I represent Sav-Mor Spirits, a
liquor store at Fresh Pond, my son Michael is the
owner, and we have been in business for over 30
years at that location. Before it was called

Cappy's, and I recently attended a hearing such
as this in Somerville, and my store in

Somerville, actually both our stores in

Somerville, have adopted the nonaccess rule.

However, there was a number of other
liquor stores in Somerville that were a little upset with this particular proposal because they felt that the problem was, I hate to say, overstated, but when minors -- and I assume that this is what you are talking about, minor access to 50 notes (phonetic) is what part of that notice was. And minors when they come into a liquor store, we are on guard. If anything, our sense is tuned up a notch to the fact that somebody is coming in the store that looks young, and believe me, the first thing that happens is they near the counter, it's not, "I'll have..."; it's "Let me see your ID, please." They don't get a chance to get to the counter and put their money down without the cashier asking the youth for an ID.

And there's no more secure area in the store than at the register. It is manned every
hour -- every minute of every hour, so the

```
ability for someone to sneak up and steal nips
and run out is extremely remote.
    And my concern, and other retailers in
the area concern, is that sometimes regulations
get passed and it may not be necessary to control
the situation.
    I'm not sure of the situation in
Cambridge. I wasn't aware that there was a
problem.
```

    However, I'm not -- I guaranty you that
    most of the nips that the neighbors were
complaining were purchased by adults of legal
age, not stolen by minors. So what $I$ would ask
is that before a regulation such as this gets
passed is, is it necessary?
Now, as a liquor store owner for over 40
years, I don't like things stolen from me,
believe me, and we're more concerned about the
big bottles being stolen by adults and minors,
obviously than the nips that are at the counter.

For them to steal the nips at the counter means they have to distract the cashier, and reach in and grab nips, for the most part are 99 cents or less, so you talk about a minor heist.

I just don't think it is as big a problem as it seems to be presented to the public, and in Somerville what we agreed with Cory Mashburn of someone who cares about prevention, is that the liquor stores would get together and address the issue with his participation without first passing a regulation that may, in fact, not be necessary, so $I$ don't have a problem with
something similar here, is to ask the Cambridge people, and there's a very active Cambridge liquor store association here, which my son was
the treasurer, and I'm sure your office is
familiar with CLAB, it's just -- what I'm saying
is what you are asking is good protection, but it
may not be necessary.

FIRE CHIEF GERALD REARDON: I would
suggest that it levels the playing field, so that
if some of the stores who do it and some of the stores don't, and if there's an economic
advantage or something, or that someone feels
that they would go to the store without it,
whatever, and it's not just minors, there's other members of the population who are legally
entitled, but --

BEN WEINER: It's more of a marketing
thing, if you can imagine, and $I$ hate to use the analogy of candy in the store, "I'll take one of
these and two of these," and of course there's
nothing to say the customer can't ask if it's
behind the counter. But it's something to people
handling something that acts as an intrinsic
value when you are looking to market a product.

And I'm just saying that the -- were the

```
issue to continue and the Council pass an
ordinance because you found that there is a big
problem -- in Somerville we didn't have any
problems.
```

    FIRE CHIEF GERALD REARDON: I can tell
    you that as the longest person sitting here, this
    has been an ongoing problem that's been around
    for quite a number of years, and it seems like
    the fact that putting them either behind the
    counter or behind the Plexiglass, so they are not
    being not advertised, just a lot of stores have
    done it, and it is the biggest complaint we get.
    We are not getting complaints up in your
    neck of the woods, but there's other places.
The thing is, that for business people,
keeping them all on a level playing field so
they're all dealing with the same issue is
probably a little bit easier than singling out
certain stores after there's a problem. That's
my opinion on it.

BEN WEINER: No, I understand that, and I appreciate it. And as a matter of fact, our store in Cambridge does not have self-service on the nips. The nips are facing the cashier.

But as a past president of the

Massachusetts Package Store Association, I just felt sometimes $I$ speak on behalf of people who are too busy in their own stores to speak, and I wanted you to hear the outside.

CHAIR ANDREA JACKSON: I appreciate it.

Does it present any type of economic
hardship for the store owner by placing them behind the counter or in the Plexiglass?

BEN WEINER: The only thing $I$ would say, it would vary from store to store depending how upon much counter space you would have available and how we merchandise it. So, for me, it was not a problem because we were able to do what we
wanted to do and I didn't care if I lost some sales, but there may be others that may care.

And that's all $I$ was just bringing up a point
that there is --

FIRE CHIEF GERALD REARDON: Recognize I
haven't taken a quantified survey, but $I$ do think there's too many that have changed much in what
they have doing now, but again, at least it
levels the playing field with all the stores in Cambridge, so they are all dealing with the same set of rules, so in case one feels as though it's
an unfair marketing advantage to have them out
where they can get them versus someone who's
being voluntarily compliant, this is -- I'm
not $a \operatorname{big}$ regulation fan either, but $I$ think it
does level the playing field for the business
owners.

BEN WEINER: I think that some would be
against it and some would be for it, and that's

```
the way things are in our business but I
certainly wanted to take the opportunity to
present that side of the issue.
    FIRE CHIEF GERALD REARDON: We appreciate
you coming in.
```

    CHAIR ANDREA JACKSON: Thank you. Thank
    you for coming in.
Is there anyone else that would like to
be heard on this? No? Going once.
So I'm going to go ahead and make a
motion that we adopt a policy that nip bottles
will be required to be placed behind the counter,
on the counter behind a Plexiglass.
I would like to be able to give
establishments time to make it happen, so I'm
thinking an effective date of October 1st.
BEN WEINER: Can I ask you one thing?
CHAIR ANDREA JACKSON: Sure.
BEN WEINER: This policy, many of these

```
nips are in cookie jars and the cookie jars, I
don't know if you consider them your definition
of Plexiglass.
```

    FIRE CHIEF GERALD REARDON: Plexiglass or
    glass.

BEN WEINER: Yes, so I'm just saying if they are not accessible to the public, as opposed to having them behind Plexiglass, if that would be part of the regulation, so they would not accessible to self-service because the cookie jars are great because they stack up and they are not accessible to the public.

CHAIR ANDREA JACKSON: If they are in a cookie jar behind the counter, again, as long as they are not accessible where somebody could reach in and grab it.

BEN WEINER: Ours are on the counter, but unaccessible, they'd have to jump over the counter, in which case $I$ would have a lot more

```
problems with stolen nips.
    GURINDER PABLA: And --
    CHAIR ANDREA JACKSON: I'm sorry, if you
can come forward. If you are going to speak, I
need your name on the record.
    Good evening.
    GURINDER PABLA: Gurinder Pabla. I'm the
```

    CHAIR ANDREA JACKSON: You have to spell
    your first name and last.
CHAIR ANDREA JACKSON: G-U-R-I-N-D-E-R.
P-A-B-L-A. I'm the manager for the Martin
Brothers, 1144 Cambridge Street.
Just a question about the cookie jars.
Like, we have a cookie jars on the counter, and
we have the nips behind the counter, and if the
cookie jar is there facing towards the cashier
and not towards the public, is it okay to have
it, the new policy, or do we have to remove the

```
cookie jar from the counter? You know, the
cookie jar like has a face --
    CHAIR ANDREA JACKSON: I see what you are
saying. So the opening is facing towards --
    GURINDER PABLA: Towards the cashier and
not the public.
    CHAIR ANDREA JACKSON: Board?
    FIRE CHIEF GERALD REARDON: I personally
don't see a problem with it.
    I'd point to it underneath and you take
it out, you'd take it out of the jar.
    GURINDER PABLA: You point it out from
the jar it, we would we take it out from the jar
and we sell it.
    CHAIR ANDREA JACKSON: So when you sell
it, are people reaching around to stick their
hand in or do they have to ask?
    GURINDER PABLA: No. We are. The
cashier is taking it for them.
```

CHAIR ANDREA JACKSON: I'm fine with it
as long as it's not self-service, as long as
someone is not reaching into a basket and
grabbing it themselves and it is sitting with a cookie part turned the other way where people can reach in. I just want to make it so people have to ask for it.

GURINDER PABLA: Okay, that's fine.

BEN WEINER: Sorry I interpreted. I just
wanted to get that clarified.

CHAIR ANDREA JACKSON: Motion's been
made. Is there a second?

FIRE CHIEF GERALD REARDON: Can we just
say Plexiglass or glass to prevent self-service?

CHAIR ANDREA JACKSON: That's correct.

That's fine.

FIRE CHIEF GERALD REARDON: Second.

CHAIR ANDREA JACKSON: With an effective
date of October 1st.

FIRE CHIEF GERALD REARDON: Second.

CHAIR ANDREA JACKSON: All those in favor signify by saying aye.

POLICE COMMISSIONER ROBERT HAAS: Aye.

FIRE CHIEF GERALD REARDON: Aye.

CHAIR ANDREA JACKSON: I believe that's
it on our agenda, is that correct?

EXECUTIVE DIRECTOR ELIZABETH LINT:

Minutes?

CHAIR ANDREA JACKSON: Sure.

Go ahead for it.

EXECUTIVE DIRECTOR ELIZABETH LINT: June

16, June 17, and July 7th.

CHAIR ANDREA JACKSON: I make a motion to
approve said minutes.

Is there a second.

FIRE CHIEF GERALD REARDON: Second.

CHAIR ANDREA JACKSON: All those in favor
signify by saying aye.

```
    POLICE COMMISSIONER ROBERT HAAS: Aye.
    FIRE CHIEF GERALD REARDON: Aye.
    CHAIR ANDREA JACKSON: That's it.
    I make a motion adjourn.
    Is there a second?
    FIRE CHIEF GERALD REARDON: Second.
    CHAIR ANDREA JACKSON: All those in favor
signify by saying aye.
    POLICE COMMISSIONER ROBERT HAAS: Aye.
    FIRE CHIEF GERALD REARDON: Aye.
    (Hearing adjourned.)
