Cambridge, Massachusetts

Meeting Started at 3:04 p.m.

Board of License Commissioners Board Members Present: Nicole Murati Ferrer, Gerard Mahoney and Branville Bard.

Staff Present: Elizabeth Y. Lint, Executive Director.

Public Testimony Matters:

Matters may have been called in a different order than that listed on the agenda. In addition, some matters may have required a second call.

1. Application Bertucci's Restaurant Corp., 5 Cambridgepark Drive, holder of Common Victualler All Alcohol License #11331, has applied for a Change of Manager to Thierry Belluche.

Decision: This matter was continued to May 9, 2018 at the request of the applicant.

2. Application Reins International Massachusetts, Inc. d/b/a Gyu-Kaku, 18 Eliot Street, holder of Common Victualler Wine & Malt License #11524, has applied for a Change of Manager to Co Le.

Present: Attorney Andrew Upton; Co Le.

Documents Considered: Application submitted and documents attached thereto.

Summary: Ms. Le stated that she is the manager of record at their Brookline location and has not had any disciplinary issues. She is already TIPS certified.

Decision: Granted (3-0).

3. Application Enterprise Rent-A-Car Company of Boston, LLC d/b/a Enterprise Rent-A-Car, has applied for a Letting of Motor Vehicles License for 42 vehicles at 100 Cambridge side Place.

Present: Becky Marcinkovich, regional manager.

Documents Considered: Application submitted and documents attached thereto.

Summary: Ms. Marcinkovich stated that this will be on level G-1 in the pavilion area of the garage. The office will also be there. The expected opening date is May 23, 2018. A manager has not been hired yet but the contact information will be provided to the License Commission once hired. The Cambridge Chronicle advertised this matter incorrectly. However, Ms. Marcinkovich sent abutter notification using the proper ad that the License Commission had submitted to the paper.

Decision: Board voted (3-0) to leave the matter open until the May 9, 2018 hearing in case any abutter wishes to be heard. The proof of workers' compensation will be pulled from the other files.

4. Application Adco Realty, LLC has applied for a new Garage License for 5 vehicles and 50 gallons of gasoline in the tanks of autos only at 314 Hurley Street.

Present: Daniel Adelson, Adco Realty representative; and Kyle Dexter and Jeff Capello from Concept Building. Ronda Massie, abutter.

Documents Considered: Application submitted and documents attached thereto.

Summary: The property is owned by Micah Realty. This is a new construction. These are five condo units with a garage that is one-half story underground. They allocated one spot per condo/family unit. There is no fee for the parking.

Ronda Massie, abutter opposed the process and claimed the licensing should be obtained prior to construction. It was explained that the projects go through extensive permitting and approval processes through other departments and that this was the last step.

Decision: Granted (3-0).

5. Application Surya Binayak, Inc. d/b/a City Liquors, has applied to transfer the All Alcohol Package Store License at 12 Museum Way held by Museum Market Corp and a Change of Location from 12 Museum Way to 212 Hampshire Street. Binoj Pradhan as Proposed Manager of Record of a premise described as: Approximately 2500 sq. ft. on the first floor in three rooms. Two entrances and two exits.

Present: Attorney Andrew Upton; Binoj Pradhan; Gary Mitchell, current tenant; Joe Stromer, resident.

Documents Considered: Application submitted and documents attached thereto.
Correspondence received from Central Square Business Association and Councilor Timothy Tommey.

Summary: Mr. Upton stressed Mr. Pradhan is of good character and is already licensed in the city. There was discussion on how Mr. Pradhan has proven himself to be a good operator and respectful partner in the City. Mr. Pradhan would be the 100% owner. The package store would occupy half of the first floor and the rest would be rented out. Mr. Pradhan's intent is to purchase the entire building and rent out the rest of the first floor and the second floor. He is not quite sure what he would put in those spaces. He confirmed that he does not currently have the intent to expand the space of the store for which he is applying – he would make more money with the rent than the retail profits of the sale of alcohol. The density of the area and demographics demand such an operation and this business venture

would serve the public need of the area. Mr. Upton also explained that since this would be a package store, the closing time is significantly earlier than the current operation which would be a benefit in terms of the minimized drain on public safety enforcement.

There is currently a license attached to the location and the Board voiced concern about approving this application while the license is still at the location. Mr. Upton stated that he confirmed with the ABCC's Executive Director that this Board could vote on the petition, but the ABCC would not until the original license was turned in.

Mr. Mitchell, current license holder at the location, expressed that he would take all necessary steps to ensure that his license at the location would not present any barriers for the proposed transaction. He also spoke of his experience in the location and the need for this type of operation and business at this location. He speculated this operation would provide the much needed daytime foot traffic.

Joe Stromer, resident of the area, spoke in favor of the petition and welcomed the addition of a liquor store with more craft beer options.

Decision: Board deferred action on this petition until the second hearing in May to research this issue.

[Matters # 6 & 7 were called together since they are interrelated. However, they were considered separately.]

6. Application DiDi Ames Street Kendall, LLC d/b/a Dumpling Daughter, has applied for a new Common Victualler Wine & Malt Beverages License at 73 Ames Street. The proposed hours are 11:30 a.m. to 9:00 p.m. Monday through Saturday and 11:30 a.m. to 8:00 p.m. Sunday with seating for 45 inside and 20 patio seats on public property. Nadia Spellman as Proposed Manager of Record of a premise described as: 2,614 sq. ft. ground floor retail space with bathrooms, kitchen and dining area, two entrances and three exits. 1,430 sq. ft. mezzanine space. 213 sq. ft. patio on the public sidewalk.

Present: Nadia Liu Spellman, applicant and sole beneficial interest holder; Nicole Liu, applicant and sole beneficial interest holder of Vester, LLC (next matter); and Sally Ling, mother of applicants.

Documents Considered: Application submitted and documents attached thereto; and letter in support of application.

Summary: Ms. Spellman told the Board that this follows the business plan she wrote five years ago. Although she intended to develop her plan in Cambridge, due to not finding a location, she opened first in Weston. She now has the opportunity to develop her plan fully in Cambridge. The cuisine is home-style Chinese fare that can be business oriented during the day, and family oriented at night. Although she does not have a liquor license in Weston, there is BYOB at that location. The alcohol is needed to compliment the food and experience. The combination of what Dumpling Daughter and Vester will offer in this location will diversify Kendall Square.

In terms of the space, she explained that Dumpling Daughter and Vester would be mirroring the concept of the prior establishment, Ames Street Deli. The Broad Institute, who is the landlord, is requiring them to serve breakfast. Ms. Spellman's concept and business plan does not contemplate breakfast. It is also not her forte. However, it is her sister's and she trusts her sister and that is why she would only enter into this lease with her. Ms. Spellman stated that she is not sure if she will serve alcohol on the patio. She is in discussions with DPW and will follow their lead. The two spaces will share the restrooms. There is an office on the mezzanine and separate storage.

There was an emphasis by both applicants that although they are working in the same space and they are sisters, the operations are completely different. There is a clear understanding that there can be no comingling of the alcohol or business accounts.

Ms. Ling voiced her support for her daughters and said she is glad they are following in her footsteps and will help them every step of the way.

Decision: Board deferred action to review the documents submitted, floor plan and storage areas.

7. Application Vester, LLC d/b/a Vester, has applied for a new Common Victualler Wine & Malt Beverages License at 73 Ames Street. The proposed hours are 7:00 a.m. to 7:00 p.m. all days with alcohol sales starting after 8:00 a.m. Monday through Saturday and 10:00 a.m. Sunday with seating for 44 inside, 60 total occupancy and 16 patio seats on public property. Nicole Liu as Proposed Manager of Record of a premise described as: 1,184 sq. ft. ground floor retail space with kitchen and dining area, four entrances and four exits. 180 sq. ft. patio on the public sidewalk.

Present: Nicole Liu, applicant and sole beneficial interest holder; Nadia Liu Spellman, applicant and sole beneficial interest holder of Dumpling Daughter (previous matter); and Sally Ling, mother of applicants.

Documents Considered: Application submitted and documents attached thereto; and letter in support of application.

Summary: Ms. Liu's concept is an upscale contemporary café. She currently manages Dumpling Daughter in Weston. She has significant hospitality experience and has been a sommelier. Her menu will have 15 items that are inspired by her European travels. She created the menu with the beer and wine in mind and how to pair them so as to enhance the menu items and experience. As a former sommelier, wine is also a passion of hers and that is how she created her business plan. She has been a bar manager but not manager of record. She believes the expanded hours are good for the community. There is a question regarding where alcohol will be stored as there is no designated space. Ms. Liu indicated that most of her beers and wines will be chilled and not stored. The zoning sign off indicates 40 and not 44 seats. An affidavit is needed from Ms. Ling stating that she has no beneficial interest in the license. The lease is with Dumpling Daughter and then Ms. Liu has a sublease with them for this space.

There was an emphasis by both applicants that although they are working in the same space and they are sisters, the operations are completely different. There is a clear understanding that there can be no comingling of the alcohol or business accounts.

Ms. Ling voiced her support for her daughters and said she is glad they are following in her footsteps and will help them every step of the way.

Decision: Board deferred action to review the documents submitted, the floor plan and storage areas.

8. Anderson Eugene, holder of Cambridge Hackney Driver's Licenses #28873 has submitted a renewal application.

Summary: This individual was previously licensed as Hackney Driver in Cambridge but his license expired in 2014. While licensed, he had no disciplinary issues. His current record checks also show no issues. The question is should the application be treated as a new one or a renewal.

Decision: Matter considered and voted upon as a renewal application. Granted (3-0).

Decision: Based on the Board's vote as to all other livery fees, request denied (3-0).
