4. Application #43911 CoffeeShop, LLC d/b/a UpperWest, 1 Cedar Street, B, holder of All Alcohol General On Premise License #11587, has applied for an Alteration of Premise for the removal of approximately 140 square feet. The new premise description would be: Basement level, one floor, two rooms, approximately 1,000 square feet. [Time Stamp: 6:11]

5. Application #43910 CoffeeShop, LLC d/b/a UpperWest, has filed an application for a new All Alcohol Package Store License to be exercised at 1 Cedar Street, B. Kim Courtney as proposed Manager of Record of a premise described as: Basement level, one floor, 2 rooms, approximately 140 square feet.

Present: Kim Courtney and Xavier Dietrich, applicants.

Documents Considered: Applications and documents attached thereto.

Summary: The applicants were asked to explain how this application is for a different premises than the application previously filed and denied. They stated that the application is ripe because it is a different premises but, confirmed that it is for 1 Cedar Street, B. Applicants were asked if they had withdrawn their appeal at the ABCC. The applicants responded by asking why that is relevant and did not respond to the question. Applicants did confirm the appeal was still pending. Applicants were questioned as to how the proposed operation complied with the ABCC advisory regarding ownership of § 12 and § 15 in the same premises. Applicants argued that it did, that the advisory did not apply, and that even if the advisory applied, they would comply with it. Applicants confirmed they made amendments to the applications on the day of the hearing and less than two hours prior to the hearing. Applicants argued a floorplan cannot be used to determine the nature and compliance of an operation.

Decision: Denied. Board concluded hearing and denied application for the new package store based on G. L. c. 138, §§ 15A and 23, and Board's Rule 5B.1. Since the alteration of premises application was connected to the § 15 application, for the same reasons and because the alteration would be moot, the hearing on that application was also concluded, and the application denied.

Moreover, or in the alternative, the hearing was concluded, and the applications denied, for the following additional reasons:

- (1) UpperWest's appeals of the denials of the old applications were still pending before the ABCC, and the related administrative processes and appeals were not yet exhausted;
- (2) The new applications did not comply with the ABCC Advisory, the applicants were unable to articulate compliance, and the Board disagreed with the applicants' contentions that they did not need to comply with the ABCC Advisory, or that a

- floorplan or their presentation could show how the operation would comply with the ABCC Advisory prior to approval and operation of the business;
- (3) The § 15 application (# 43910) was incomplete, including a failure to provide all documents as required by the Board despite numerous requests to submit them, had some questions on the ABCC application which were not fully answered (i.e. 1, 7 & 10(D)), and the § 15 and alteration of premises applications were untimely and substantially amended on the date of the hearing and less than two hours prior to the hearing, and such amendments did not conform with what was advertised; and
 - (4) For all other reasons stated in the Board's Statement of Reasons issued on February 14, 2019 as to the related applications, including but not limited to a lack of public need because there are sufficient other § 15 licenses in the area, and which was incorporated by reference and made a part of the Board's vote.

6. Disciplinary Jet-A-Way Recycling & Waste Disposal, for failure to comply with the Cease and Desist Order of May 20, 2017, by allegedly loading and/or unloading a dumpster on June 12, 2019 at 5:00 a.m. at 1680-1682 Massachusetts Avenue in violation of Cambridge Municipal Code 8.16.080 E. and operating without a license in violation of Cambridge Municipal Code 5.24.010.

Present: Licensing Investigator, Tyler Bubenik.

Documents Considered: Hearing notice and documents attached thereto.

Summary: Second call was at 4:50 with no one appearing for Nicolazzo & Son. Mr. Bubenik stated that he was on routine patrol on June 19, 2019 and observed an employee of Nicolazzo at 14 Craigie Street operating a leaf blower. Nicolazzo does not have a permit to operate, was operating during a prohibited period, and failed to comply with the Board's order of December 2018.

Decision: Violation for: failure to comply with the Board's order; operating without a permit; and operating during a prohibited period. Issued \$300 fine for each violation for a total of \$900 violation.

8. Disciplinary DMG Food Enterprises, LLC d/b/a 730 Tavern Kitchen + Patio, Common Victualler All Alcohol License #11613, for alleged violation of M. G. L. c. 138, §§ 23 and 64 and Board's Rules 2.3, 2.5, 5.1, and 9 for operating over the licensed capacity on June 12, 2019. **[8:34]**

[Time stamp: 27:00]

Present: Anthony Brooks, owner of The Coast Café; Licensing Investigator Tyler Bubenik.

Documents Considered: Hearing notice and documents attached thereto.

Summary: Investigator Bubenik stated that a letter was sent to Mr. Brooks on March 18, 2019, advising him that he needed to apply for a Common Victualler license. He did not do so. Investigation revealed patrons seated in the restaurant and consuming food therein. Mr. Brooks explained his intent was to have a take out only restaurant and was hesitant about applying for a common victualler license because of zoning. He wondered whether stools could be kept on location for patrons to wait while the food is being prepared.

Decision: Violation, The Coast Café, LLC was provided until 7/31/19 to either file an application for a common victualler license or provide in writing its decision to operate as a take-out only establishment. The Coast Café, LLC cannot allow any patron to consume food on its premises unless it obtains a common victualler license.

14. Application #46600 Grafton, Inc. d/b/a Park Restaurant and Bar, 59 JFK Street, Common Victualler All Alcohol License #11699, for an increase of their patio seating from 16 to 24 on private property. **[Time Stamp: 43:00 and second call at 1:03:06]**

Present: Patrick Lee, applicant; Attorney James Rafferty; and Denise Jillson from the Harvard Square Business Association.

Documents Considered: Application and documents attached thereto.

Summary: This is a request to add 8 seats to the patio on occasion and when they do, the seats will come from the inside capacity of the premises. The total capacity sought is 206. There will not be an increase in overall maximum seating capacity. The square footage is not changing. Ms. Jillson spoke in favor of the application.

Decision: Granted, with the condition that the 8 additional seats are coming from the inside and that the total maximum sitting capacity (inclusive of inside and outside) is 206. The Board will consider a standing room capacity for the outdoor area when the applicant provides a plan with the architect's numbers for the area for both standing and sitting.

15. Klye McKenna, on behalf of Shawmut Construction, holder of Special Noise Variance # 44442, is requesting an extension to the variance until September 25, 2019 with crane hours amended to 12:00 a.m. to 6:00 a.m. **[Time Stamp: 46:10]**

Present: C.J. Baker on behalf of Shawmut Construction (holder of the noise variance); Tom Lucey, Harvard; Patrick Lee, owner of abutting restaurant and Denise Jillson from the Harvard Square Business Association.

Documents Considered: Application and documents attached thereto, and correspondence submitted regarding the noise variance.

Summary: Mr. Lee stated that he sees no reason to change the hours as it already has a serious impact on local businesses. He said that there is still very poor communication from Harvard. The applicant explained that the extra hour will allow the construction schedule to reduce. The setting and breakdown of the crane is an hour each, so the extra hour allows for more use to the crane. To date the crane pick has not caused any negative impact on the operation of the abutting businesses. There was discussion on adding one additional hour in the morning since most businesses in the area do not open at 6:00 a.m. Ms. Jillson stated the barber shop may be the only business that may be impacted by an extension in the morning hours. Mr. Baker, Tom Lucey and Mr. Lee are to submit an email to Chief Licensing Investigator Boyer by August 2, 2019 with any issues. Depending on the content of the emails and Chief Boyer's investigation into the matter, if necessary, the Board will reconsider amending the conditions and reducing the crane hours during its August 21, 2019 hearing.

Decision: Granted through 9/25/19, with the same conditions as previously established with the exception that the crane hours will be 1:00 a.m. to 7:00 a.m.

16. Application #48562 Mothership Alewife, LLC d/b/a Mothership, 125 Cambridgepark Drive, has applied for a new Common Victualler All Alcohol License. Present: Steven Postal, applicant; and Attorney James Rafferty.

Documents Considered: Application and documents attached thereto.

Summary: This is in the same building as the Revival Café, but it is a different premise. There has been a significant increase in residential population in the area and a need to activate the area with more businesses, including ones that can provide food and beverages. Present: Mark Roderick, applicant.

Documents Considered: Application and documents attached thereto.

Summary: Mr. Roderick bought the building but submitted his application prior to getting possession of the building. His intent is to run the business as the previous lodging house. The patrons continue to request the alcohol and also the applicants wish to provide a more complete service to their customers. There will not be any other changes to the operation.

Decision: Granted with a maximum seating capacity of 48 per zoning.

20. Application #49778 The Veggie Grill, Inc. d/b/a The Veggie Grill, 57 JFK Street, has applied for a new Common Victualler Wine & Malt License. The proposed hours of operation are 11:00 a.m. to 11:00 p.m. all days with seating for 52, and a total occupancy of 59.
