BOARD OF LICENSE COMMISSIONERS' MEETING MINUTES

Thursday, January 15, 2026, at 11:00 a.m.

By Remote Participation Via Zoom

This meeting was held remotely in accordance with Chapter 2 of the Acts of 2023 adopted by Massachusetts General Court and approved by the Governor.

Board Members (All present): Nicole Murati Ferrer; Christine A. Elow; and Thomas Cahill, Jr.

Decisions: All decisions, unless otherwise stated, were 3-0, and by roll call.

Public Testimony Matters

1. Application #1193117 Patrick Crosby, John Moriarty & Associates Inc., for a Special Noise Variance from 1/21/26 – 4/1/26, Monday through Friday, at 75 Broadway, 6:00 a.m. to 9:00 p.m. for concrete slab placements using concrete trucks and slab finishing equipment. Variance would be exercised a maximum of four (4) times over the course of the approved duration. After the fourth use, the variance will no longer be exercised. The variance is sought to extend the workday to comply with the structural requirements & specifications for placing large post-tension concrete slabs.

Present: Patrick Crosby; and Investigator Joseph Kellye.

Documents Considered: Application and documents attached thereto.

Summary: This application is for four separate slab placements, each 750 yards a piece. They are different than traditional two-slabs, which have smaller placement areas. This application will allow the ability to pull equipment in early but they will not start pouring concrete until 7:00 a.m. The afternoons will be spent finishing the slabs. Each slab placement requires one day. The applicant will re-notice abutters for each placement.

Decision: Granted with the conditions that: at least twenty four (24) hours prior to using, they must notice the License Commission via email to noise@cambridgema.gov; cannot exercise on the day or eve of any legal/Cambridge-observed holiday; and after the variance is used four (4) times, it is moot and cannot be further exercised.

2. Application #1186826 TAV SRC, LLC d/b/a Alice, 238 Main Street, for a new Common Victualler All Alcohol License. The proposed hours are 11:00 a.m. to 2:00 a.m. all days with seating for 185 and a total occupancy of 285. Daniel Roughan as proposed Manager of Record of a premises described as: Bi-level (first floor and basement) restaurant, bar and lounge. The first floor (main level) is equipped with a full dining room, bar, kitchen and office. The lower level is equipped with bathrooms, a full bar, lounge and private event space along with a prep kitchen. Applicant is also applying for a Pledge of License and an Entertainment License to include recorded music with amplification, DJ, and 5 TV's.

Present: Mark Evlogiadis, attorney; and Daniel Roughan.

Documents Considered: Application and documents attached thereto.

Summary: This establishment will be a modern Italian taverna. It has a pledge to Eastern Bank and a built-out budget from the landlord. The landlord will retain 6% of proceeds after a certain breaking point, which is a very high number. It is not specifically on sale of alcohol, but rather gross sales.

Daniel Roughan has 25 years' experience and has been a manager of record before, with no violations with any local boards or the ABCC. He will be manager of record of two establishments and will split his time between both locations.

Decision: Granted; prior to the license issuing, must provide the name, phone number and email of the person who will be in charge of the premises/manager on duty while the approved manager of record is off site.

3. Application #1191962 Raj Auto Sales, LLC, 2380 Massachusetts Avenue, for a Class II Used Car Dealers License (office only) operating Monday, Wednesday and Friday from 11:00 a.m. – 3:00 p.m. Robertho Cean as owner and manager of record.

Present: Robertho Cean.

Summary: The applicant did not notify abutters. Their office is in a building with multiple other licensed car dealers; it is unclear the applicant's office set up so an investigator will go to the premises to get a better understanding.

The Board acknowledged that in 2005 it voted to no longer issue used car dealer office only licenses absent extraordinary need. The applicant stated that his need was he has children at home and does not want to sell cars out of his home (via online auctions) with children there.

Decision: Matter to be rescheduled – needs to notify abutters.

4. Application #1190269 Lupo Partners, Inc. d/b/a Gufo, 660 Cambridge Street, Common Victualler All Alcohol License #174713, has applied for a Change of Stock Interests and manager of record.

Present: Richard Joyce, attorney; and Deirdre Auld.

Documents Considered: Application and documents attached thereto.

Summary: There is no change of manager. The applicant is adding a long-time employee as a beneficial interest holder and stockholder as a reward for their service. The employee will have a pledge with the owner and will repay over time.

Decision: Granted, pending submission of signed entity vote.

5. Disciplinary Gustazo Cuban Kitchen and Bar, Inc. d/b/a Gustazo Cuban Kitchen and Bar, 2067 Massachusetts Avenue Common Victualler All Alcohol License #13535, for point of sale system allegedly miscalculating the totals for meals taxes, suggested tips amounts, and totals, in violation of Massachusetts General Laws, including but not limited to M. G. L. c. c. 93A, c. 138, §§ 23 and 64, c. 140, 204 C.M.R. 2.01(8), and the Board's Rules 2.3, 2.5, 5.1, and 14.

Present: Patricia Estorino, Adolfo De La Vega, and Frank Bratica; and Investigator Joseph Kelley.

Documents Considered: Hearing notice and any documents attached thereto; file.

Summary: The Board received a complaint from a customer that the suggested tip amount was too high. An investigator went to the establishment and an employee explained that the tip is based on check price before discounts and after taxes and that this customer had received a discounted item. When the investigator went over the amounts with the licensee, the amounts did not add up.

The Licensee provided receipts and bills to the Board. The Board reviewed these documents and determined that based on Gustazo's method, the suggested tips were accurate. The Board discussed the fact that the Licensee's formulas for calculating tips and kitchen appreciation fees are confusing and determined that Gustazo must write up a document and either post it or give it to patrons with the bill explaining their receipt policies. Gustazo explained that they are working with their POS vendor to customize their receipts.

Decision: No violation. Licensee is mandated to create a document explaining how the kitchen appreciation fee, taxes and suggested tips are calculated. This document is to be posted conspicuously on the premises, or in the alternative it must be provided to each customer when the bill is provided to them.

6. Application #1192792 Restaurant Associates, LLC, One Memorial Drive, for a New Common Victualler License with seating for 149 inside, an inside occupancy of 341, 33 outdoor patio seats on private property and a total outdoor occupancy of 146 with proposed hours of 6:00 a.m. to 8:00 p.m. all days. Brian Rice as proposed Manager of Record.

Summary/Decision: Failed to notify abutters, will be rescheduled.

7. Application #1192789 Star Markets Company, Inc., 699 Mount Auburn Street, All Alcohol Package Store License #11306, for a Change of Officers/Directors.

Present: Nicholas Zozula, attorney; and Johanna Chacon.

Documents Considered: Application and documents attached thereto.

Summary: This is a change of officers/directors at the corporate level. There are no changes to the manager of record or store operations.

Decision: Granted.

8. Disciplinary Turnip, LLC d/b/a Parsnip, 91 Winthrop Street, Common Victualler All Alcohol License #11507, to consider whether to indefinitely suspend the license and/or deny the renewal for allegedly failing to update the officers/directors and failure to respond to the Alcoholic Beverages Control Commission requests, in violation of M.G.L. c. 138, §§ 1, 15A, 64, and Board's Rules 2.2, 2.3, 2.4, 2.5, 2.6, 5.1, 5.5, 5.6, 5B.2, 13.1, and 14.

Summary/Decision: Matter rescheduled for January 28, 2026, at the request of the licensee's attorney.

9. Disciplinary Prince of Arcadia Real Estate, 179 Prospect Street, Lodging House License #10768, to determine whether to approve the license renewal application or revoke/suspend/cancel/modify the license due to the manner in which the business is being conducted.

Present: Claus de Bansa and Mary Gardill.

Documents Considered: Hearing notice and any documents attached thereto; file.

Summary: The Board incorporated by reference from the December 16, 2025, hearing, where the Board conditionally approved license renewal for Prince of Arcadia.

On December 17, 2025, the Licensee submitted the required documents to ISD and a new CI issued. The Board expressed its frustration with the Licensee, as this was not the first time they have let their CI lapse. Prince of Arcadia stated that their fire sprinkler company has guaranteed there will be no more lapses in service.

The Board discussed with the Licensee that they should update their OpenGov account with a proper email address and mailing address for receipt of Board communications.

Decision: Violation for operating without a valid Certificate of Inspection, seven (7) days suspension to be held in abeyance for one (1) year. License renewal approval ratified.

10. Disciplinary New Mulan Restaurant, LLC d/b/a Mulan Restaurant, 228 Broadway, Wine & Malt Common Victualler License #185250, to determine whether to approve the license renewal application or revoke/suspend/cancel/modify the license due to the manner in which the business is being conducted.

Present: Attorney Russell Chin, Hong Tan, Melina Shi; and Investigator Darlene Holzworth.

Documents Considered: Hearing notice and any documents attached thereto; file.

Summary: The Board incorporated by reference from the December 16, 2025, hearing, where the Board conditionally approved license renewal for New Mulan.

On December 10, 2025, Investigator Darlene Holzworth went to New Mulan and observed 110 chairs when they are licensed for 86 chairs. They immediately removed the extra chairs at the investigator's request. The Licensee had the extra chairs because the manager of record, Zhi Shi, wanted them to "accommodate" extra patrons. Zhi Shi has been removed as operations manager but remains as manager of record. A prior owner, Hong Tan, and Melina Shi, are now co-operations managers.

The Board instructed New Mulan that Zhi Shi cannot remain on as a manager of record if they are not also operations manager. They have been given 14 days to file a change of manager application.

Decision: Violation for operating with an unapproved plan and additional chairs, two (2) days suspension to be held in abeyance for one (1) year. License renewal approval ratified. Licensee must submit a Change of Manager of Record application within fourteen (14) days, otherwise license will be subject to disciplinary action.
