NOTICE OF VOTE REGARDING

HAWKER/PEDDLER LICENSE APPLICATIONS

On July 11, 2018, relative to hawker/peddler license applications for food trucks, the Board of License Commissioners voted (3-0) as follows:

At the time the application is submitted, applicants will have to identify where they plan to operate/park in the City of Cambridge. However, the applicant will not be asked to submit a Permit/Letter of Permission/Contract from the owner of the premises where the truck plans to vend.

Once licensed, if the truck will operate in other areas, the licensee will email the License Commission (license@cambridgema.gov) to inform it of the additional vending/operating locations.

At the time of the application or during the licensed period, the applicant/licensee will not have to be approved by the Board for any particular location. Therefore, when the Board approves an application, it is approving the truck to operate within the City of Cambridge, generally.

It is incumbent upon the applicant/licensee to obtain any Permit/Letter of Permission/Contract to operate in any given location. Operating without permission from the owner of the location where the truck is stationed will be considered a violation of the license and subject it to suspension, modification, revocation or cancellation.
