Safe Streets, Safe City Community Meeting

This meeting is part of the Mayor's ongoing commitment to keeping the public informed about efforts to ensure community safety. We will provide updates on the investigations into the shootings that occurred earlier this summer and share information about the City's continued initiatives to reduce violence. Residents will have the opportunity to ask questions, express concerns, and engage in dialogue. This meeting aims to foster community involvement in identifying and implementing effective strategies to decrease violence and enhance safety in our city.
