

Help Improve Ahern Field!

Monday, June

23

 4:00 p.m. - 6:00 p.m.

 **Ahern Field**
259 Charles Street
Cambridge, MA 02141

POP UP EVENT!

Do you spend time at Ahern Field?

Whether you use the basketball courts, playground, waterplay area, softball field, or street hockey space—we want to hear from you!

Stop by our table to talk with the design team!

Tell us where you spend the most time and what parts of the park you think need improvements.

We'll be set up on the east side of the school, between the two playground areas. We'll have free popcorn and a chance for you to share your ideas!

Your feedback will help us plan future updates to the park that reflect what the community needs and wants.

Can't make it? Don't worry—this is just the first of several events where you'll have a chance to share your thoughts.
