

PUBLIC MEETING

Updated Combined Sewer Overflow (CSO) Control Plan for the Charles River and Alewife Brook/Mystic River

Did you know?

- Heavy rainfall can cause sewer and stormwater overflows, and pollute our rivers
- There are proven tools to reduce these impacts

The Cities of Cambridge and Somerville and the Massachusetts Water Resources Authority are working together to create plans for future sewer improvements that will **reduce pollution in our rivers.**

Join us virtually for a public meeting to learn more about the **alternatives being considered, costs implications on rate payers, and share your feedback!**

For more background, please review our last meeting recording: tinyurl.com/CSOseptember2025

The City of Somerville can provide you with an interpreter in your language for free. To request an interpreter, please contact us at languageaccess@somervillema.gov or call 311 (617-666-3311) at least 7 days in advance of this event.

Persons with disabilities who need auxiliary aids or reasonable modifications should please contact Adrienne Pomeroy in advance at 617-625-6600 x 2059 or ADA@somervillema.gov.
