

Ahern Field Improvements

In-person Conceptual Design Open House

The City will be hosting a Conceptual Design Open House on **Wednesday, March 11, 2026** from **6-8 p.m.**

Ahern Field, located at 259 Charles Street, offers 2.6 acres of outdoor recreational space. We are planning improvements to create a more welcoming, accessible, and active neighborhood park for people of all ages.

After meeting with recreational users and hosting two community pop-ups, we've developed early design ideas based on what we heard.

Join City staff and the project team to review the concepts and share your feedback. Help shape the park's future.
