RE: Huron B Sewer Separation Project

ROAD CLOSURE:
Larch Road (Huron to Fresh Pond Park Way)

Dear Residents,

The City’s contractor, Barletta Heavy Division, will continue installing the new water main along Huron Avenue, and will soon be approaching the intersection of Larch Road and Huron Avenue. Beginning **Thursday, May 5th, Larch Road (Huron to Fresh Pond Parkway) will be closed 7 AM to 4 PM to through traffic**, in order to facilitate this work. We are anticipating this day time road closure will last 2 weeks, however, we will make every effort to expedite this work to minimize the length of time access to Larch Road (Huron to Fresh Pond Park Way) from Huron Avenue is impacted.

During this time, local residents accessing Larch Road (Huron to Fresh Pond Park Way) will need to enter and exit from the Fresh Pond Park Way end, as the Huron Avenue end will be closed. Police details and/or signage will be in place to assist traffic through this temporary road closure. Please pay attention to all posted “Road Closed” signs, which will be posted a minimum of 24 hours in advance.

For questions about this work or if you have any special access needs, contact Bruno Cardarelli, Resident Engineer, or KyAnn Anderson, Community Relations Manager.

For weekly construction updates and potential schedule changes, please see the project website at: <http://www.cambridgema.gov/theworks/HuronB>.
