MASSACHUSETTS AVENUE ROADWAY MILLING & PAVING NOTICE

Dear Neighbor,

The City's contractor, Marchese Construction, will be grinding and paving sections of Mass Ave in the next few weeks. This will be the final significant phase of construction. Typically we would pave during the daytime, however, this paving has to be scheduled at night due to the volume of traffic on Mass Ave and the need for the MBTA to shut down the overhead catenary wires associated with the electric buses. **Vehicle traffic will be maintained on Mass Ave, but there will be lane restrictions in place. Side streets will be detoured throughout the evening.**

Check out the Waze app to help navigate around construction. Waze is a mobile app and a website (waze.com) that gathers real time traffic data from users and government partners to identify the best traffic routing for a specific trip.

Access to driveways and side streets will be restricted during paving operations, so please plan accordingly.

Limits of Paving and Schedule (please see map on back)

<u>North Mass Ave</u> Paving:	Mass Ave (Russell St to Beech St) Friday August 28 th , 8 PM to 9 AM (weather permitting)
<u>Demo Block</u> Grinding:	Mass. Ave. (Linnaean St to Everett St) Sunday August 30 th , 6 PM to 9 AM (weather permitting) Monday August 31 st , 8 PM to 9 AM (weather permitting)
Paving: (inbound): (outbound):	Thursday Sept 3. & Friday Sept. 4 th , 8 PM to 9 AM (weather permitting) TBD

Information and Assistance: Please contact us if you have any questions or if you have a special need or disability and need us to arrange for any special accommodations that will be necessary. All schedules are subject to MBTA coordination and weather. So please check the no parking signs and the variable message boards.

Restricted Access Creighton, Hadley and Regent Streets

Dear Resident of Creighton, Hadley & Regent Streets,

Please note that **vehicle access in and out of your street will be restricted during paving operations.** Please make sure if you need your vehicle that it is not parked on Creighton, Hadley or Regent.

Access to driveways and side streets will be restricted during paving operations, so please plan accordingly.

Friday August 28th, 8 pm – 9 am (weather permitting)

Sincerely,

Hussein Musa
