

Chetwynd Road Reconstruction Project

On-site Community Meeting

The Department of Public Works and the City's Community Development Department will be hosting an on-site Community Meeting on Wednesday, June 4 from 4-6 p.m.

Anyone interested in attending can meet project staff at the corner of Chetwynd Road and Newell Street.

The focus of this meeting will be to review the updated draft plans for the project, incorporating feedback we received at the last on-site meeting in April. The project is part of the City's Complete Streets Initiative to design and operate streets that are safe for all users.
