COMMUNITY MEETING NOTICE

GORE ST & RUFO RD RECONSTRUCTION

Dear Neighbor,

Eversource Gas and Divco West, the developer of Cambridge Crossing (formerly known as NorthPoint), are currently upgrading utilities on Gore St between Monsignor O'Brien Highway and Warren St.

Following this construction, the City will reconstruct the watermain, replace any lead services, and reconstruct the roadway and sidewalks on Gore St. ***This is an opportunity to improve Gore St for residents, as well as for people walking and biking along the street.*** The City has received initial requests from residents for traffic calming, sidewalk improvements, street trees, signage, and more. We want to hear from you regarding what works well; what needs improving; and what changes should be incorporated into the project. The project will also include the reconstruction of Rufo Rd between Gore St and the Somerville line.

Please join city staff and give us your thoughts on the design of Gore St & Rufo Rd:

Tuesday, June 19th
7:00-8:30pm
Millers River Apartments
Community Room
15 Lambert St.

Please join city staff on Tuesday, June 19th from 7-8:30pm in the Community Room of the Millers River Apartments to learn more about the street and sidewalk reconstruction and to give your input on what, if any, changes should be incorporated into the reconstruction of Gore St and Rufo Rd.

For Information or Assistance:

If you have any questions regarding the **current construction**, please contact Divco West at mitigation@csl-consulting.com or by phone at **617-866-8971**. For more information, please visit the project website www.npconstruction.info.

If you have any questions regarding the **redesign of Gore Street**, please contact Kate Riley, Community Relations, at 617.349.4870 or kriley@cambridgema.gov. To join the email distribution list for this project please email Kate or visit <http://bit.ly/GoreSt> to join.

Thank you in advance for your cooperation and patience.

Sincerely,

Katherine F. Watkins
City Engineer
