## COMMUNITY MEETING NOTICE

### ***GORE ST & RUFO RD RECONSTRUCTION***

Dear Neighbor,

As you are aware, Eversource Gas and Divco West, the developer of Cambridge Crossing (formerly known as NorthPoint), are currently upgrading utilities on Gore St between Monsignor O'Brien Highway and Warren St.

Following this construction, the City will reconstruct the watermain, replace any lead services, and reconstruct the roadway and sidewalks on Gore St. ***This is an opportunity to improve Gore St for residents, as well as for people walking and biking along the street.*** We gathered ideas and feedback at initial meetings in June and November of 2018 and have incorporated them into a plan for the street.

Please join city staff and give us your thoughts on the design of Gore St & Rufo Rd:

**Tuesday, March 19<sup>th</sup>**  
**6:30pm-8:00pm**  
**Kennedy-Longfellow School**  
**Auditorium**  
**158 Spring Street**

**Please join City staff on Tuesday, March 19th from 6:30PM-8PM in the Auditorium of the Kennedy-Longfellow School. In direct response to some of the concerns raised at the November meeting, the Traffic and Parking Department will be presenting some analysis of Gore Street Traffic patterns and Staff will also provide updates on the plan and current schedule for the project. Residents will be invited to provide feedback and discussion about the Project.**

#### **For Information or Assistance:**

If you have any questions regarding the **current construction**, please contact Divco West at [mitigation@csl-consulting.com](mailto:mitigation@csl-consulting.com) or by phone at **617-866-8971**. For more information, please visit the project website [www.npconstruction.info](http://www.npconstruction.info).

If you have any questions regarding the **redesign of Gore Street**, please contact Kate Riley, Community Relations, at 617.349.4870 or [kriley@cambridgema.gov](mailto:kriley@cambridgema.gov). For information and plans from previous meetings or to join the email distribution list for this project visit [cambridgema.gov/TheWorks/GoreSt](http://cambridgema.gov/TheWorks/GoreSt).

Thank you in advance for your cooperation and patience.

Sincerely,

Katherine F. Watkins  
City Engineer
