

# Inman Square Intersection Improvements

## Community Meeting: Tuesday, July 25

---

The City is developing plans to improve the intersection of Hampshire St and Cambridge St in Inman Square. The next public meeting for this project will be held on **Tuesday, July 25**.

As we move towards a final concept for the project, this meeting will focus on the design of the Square's pedestrian plazas and open spaces. We encourage community members to attend to learn more about the design options for these important public spaces and to provide feedback.

At this meeting, City and design team staff will recap the project history to date, and present a discussion of opportunities and considerations relevant to the plaza design. After the presentation, staff will facilitate an open discussion.

### **Inman Square Intersection Improvements Community Meeting**

**Tuesday, July 25**

**Cambridge Public Library (Main Branch), Lower Level (L2)**

**449 Broadway**

**Presentation: 6-6:45 pm**
