

Gold Star Mothers Memorial Park

Virtual Community Meeting

Join us for a virtual public meeting on **Wednesday, September 23, 2026** to discuss the next steps for the Gold Star Mothers Memorial Park Remediation and Improvements Project!

The design team will share what they heard from the community at the Conceptual Design Open House in June 2026. They will present the latest design, incorporating community feedback, and share the project schedule.

This is your chance to see how your input is shaping the park, ask questions, and share your thoughts.
