CSO Alert, City of Cambridge

A Combined Sewer Overflow (CSO) occurred in the Charles River and consisted of untreated sewage and waste.

CAM005: discharges downstream of the Eliot Bridge across from Mount Auburn Hospital.

Date: March 17, 2025

Start time: 4:13 AM

End time: 4:30 AM

Duration: 17 minutes

Estimated volume*: 0.12 MG

**3-year average calculated using data from 2022, 2023 and 2024*

Potentially affected areas: Boston and Cambridge

Required public health warning: Avoid contact with these water bodies for 48 hours after the discharge or overflow ceases due to increased health risks from bacteria and other pollutants. See website for more information:
