Hats, gloves, and warm boots are essential. Beginners are welcome, as are children with an adult. We will lend you binoculars and show you how to use them. To register and for parking and meeting information, email Catherine Pedemonti at [friendsoffreshpond@yahoo.com](mailto:friendsoffreshpond@yahoo.com)

*Meets at Country Kitchen [lower level], Neville Place, 650 Concord Ave.*

Join us on the first Friday of each month this winter as we welcome Cambridge Public Library's children's librarian Margaret Macri for nature story time at Fresh Pond! We will read about winter and what humans and wildlife do during this time. Bring warm clothes and go for a winter walk after story time is over! We will monitor wildlife by sign, track or presence, and make note of weather, state of plants, condition of water and other abiotic resources. You can help chart the seasonal changes of some of our most active wildlife spots, or simply come to enjoy the walk. Come dressed to be outdoors for the hour. People of all abilities and knowledge levels welcome. Service dogs only please. To RSVP, please contact Ranger Jean 508-562-7605 or email [jrogers@cambridgeMA.gov](mailto:jrogers@cambridgeMA.gov)

## Fresh Pond Evergreen Workshop

*Meets at the Ranger Station (under the clock tower), 250 Fresh Pond Parkway*

Join Chief Ranger Jean Rogers to match samples of evergreens with living specimens on the Reservation and to create a map for further study. Come inside to use keys and photos to identify them. Learn how these trees differ from oaks and maples, which shed their leaves and go dormant. To register, contact [jrogers@cambridgeMA.gov](mailto:jrogers@cambridgeMA.gov) for location and for instructions if the weather is stormy.
