

Walter J. Sullivan Water Purification Facility Tour

mondays in 2021
6 to 7:30pm

**September 13
October 4
November 1**

Enter through
Water Department front door,
250 Fresh Pond Parkway

Find out how water that falls as rain in the suburbs 10 miles west of Cambridge is transported to Fresh Pond, and then tested, treated, and delivered to the City's residents and businesses! Learn about the plant's state-of-the-art technology that keeps our community's tap water clean. You'll have the chance to speak with water treatment staff, see the equipment in action, and check out our water quality lab.

**Advance registration required for large groups;
please call 617.349.6489 or email tpuopolo@cambridgema.gov.**
Parking passes available. Free and open to the public.
