CWD Lab tour on October 21, 2025

Dear Susan Ranger Omar Anna and the Water Department Lab,  
(circle one or more)

Thank you for helping us during our field trip! I appreciated when you talked with  
us like we were your friends.

Add more details in words or a detailed, labeled drawing in the box below ↓

Include:

- 1 thing you learned or were excited about
- 1 thing you observed

I observed a lot of measuring tools for example measuring cups. I was really excited about the lab.
