

## River Street Reconstruction

### Public Site Walk # 2 – Urban Design & Local Businesses

The River Street Reconstruction Project will upgrade the subsurface infrastructure while developing a new surface design for River Street, the bus terminal area at River and Magazine Streets near Central Square, and Carl Barron Plaza.

**Tuesday, June 11, 2019**

**Rain or Shrine**

**6:00 PM - 8:00 PM**

**Meet at “1 Central Square” – Carl Barron Plaza at the corner of Mass Avenue and River Street.**

Join the project team for an informative tour of urban design and streetscape conditions along River Street on Tuesday, June 11. The team will be leading the tour of key locations along the corridor and will take your input on streetscape enhancements. The team will explore the role of Public Art and opportunities for implementation within the project. During the walk, the team will highlight local businesses and provide for discussion about opportunities to support them.
