

WORKING GROUP MEETING #4: TUESDAY, DECEMBER 3, 2019, 6:00 PM - 8:00 PM

The Grand Junction Multi-Use Path is proposed to be a multi-use path running alongside the existing tracks in the Grand Junction corridor from near the Boston University Bridge to Somerville.

The Grand Junction Multi-Use Path Working Group meets bi-monthly. Meetings are open to the public.

At this meeting, City and design team members will review current conditions and what we have heard so far about the multi-use path design, and facilitate a workshop to gather feedback on the conceptual designs for street crossings of the Grand Junction Multi-Use Path.
