

Community meeting to discuss **A NEW 100% INCLUSIVE PLAYGROUND**

The City of Cambridge will be holding a community meeting to discuss a new Universal Design playground project, which will be the first of its kind in the City, and located at Mayor Thomas W. Danehy Park

**TOBIN SCHOOL AUDITORIUM
197 VASSAL LANE
THURSDAY, OCTOBER 24TH, 2019
6:30pm-8:00pm**

City staff, along with the design firm of Weston and Sampson, and a focus group of parents and educators will present initial site analysis findings and preliminary design thoughts which will include accessible play opportunities for children of all abilities along with passive areas for residents of all ages. The new playground will be constructed on the empty plot of city space at Danehy Park adjacent to Field Street.

For further information, please contact Paul Ryder, Project Director – pryder@cambridgema.gov
