

**Conversation & Connection
with Susan Pacheco, Executive Director
Thursday, June 3, 2021**

12:00-1:00

Gather virtually at Susan's kitchen table. Connect with others, as views are shared. Conversation has always been the best way of connecting. It often serves as a therapeutic tool. A conversation starter is provided, and the hope is that there is space and the encouragement to explore your own thoughts and feelings. Please bring your own coffee or tea! To register, call Susan at 617-349-6224 or spacheco@cambridgema.gov.
