# Halloween

Department of Human Service Programs  
Cambridge Community Schools

Halloween 2018

## Trick or Treating Tips

Dears Families,

Halloween can be fun for children and families. To help you continue to make this a safe and happy Halloween for your children, Department of Human Services / Community Schools Division will be sponsoring parties and other events around the city. Cambridge Public Libraries, and the Fire Department are also planning fun citywide events for your family which are also listed in this brochure.

We are working in partnership with other City departments to insure a safe and enjoyable Halloween for your children.

Sincerely,  
Community Schools Staff

Young children should always be accompanied by an adult.

Older children should go out in groups of three or more and carry flashlights.

Have children go only to neighborhood houses or people they know. Adults should know their route and time of return.

Remind children to stay away from strangers and not to accept anything from them.

Review traffic safety rules with your children. Remind children to stay on sidewalks.

Costumes should be non-flammable, light in color, or add reflective tape, and shouldn't block vision.

Children should avoid carrying sharp objects.

Discard candy with loose or open wrappers.
