**Peabody School Families and Neighborhood Residents,**

**Welcome to the Fitzgerald Community School Spring Session of programming. I hope the families, staff and students had loads of fun during the Fall/Winter months. Now we look forward to continuing with some changing weather ahead with lots of learning opportunities in the great outdoors. The Fitzgerald Community School staff will be working very closely with school administration to provide your child with programming that will enhance your child's school day. Please stop by our office located on the first floor, next to the gym, to say hello and see what our program has to offer. We are very pleased to present a new selection of classes and events for the upcoming session. Our enrichment classes start on Monday, February 24, 2020 and will continue through Friday June 12, 2020. It is a program requirement that registration forms, class fees and/or a payment plan be received before a child begins the Spring Session. Please complete all registration forms so that there are no delays in services.**

**A limited number of partial financial scholarships are available for income-qualified families. Please request a financial scholarship application. Income documentation is required (W2 form/4 most recent paystubs). Request for financial assistance applications must be received no later than Friday February 14, 2020.**

**Our goal is to serve the Fitzgerald Community in the best manner possible. We welcome your ideas and suggestions and encourage residents and Peabody School parents to join our Neighborhood Community Council. Our next meeting is Wednesday February 26, 2020 in the community wing at the Peabody School.**

**If you would like to donate to the Fitzgerald Community School Scholarship fund, please make checks payable to: Fitzgerald Community School. We appreciate your consideration and continued support. All donations go directly to a child in need of an afterschool program.**

**In closing, we are looking forward to all new and returning families participating in our program. If you have any questions or concerns, please contact the program office (617) 349-6302, cell 617-388-4503 or e-mail (Director) Carolyn Rodrigues at [crodrigues@cambridgema.gov](mailto:crodrigues@cambridgema.gov).**

**Late Fee Policy**

Please respect our staff and pick up children on time. Instructors are not responsible for children after the class ending time. All children must be promptly picked up at the end of class. There will be a late fee of \$1.00 per minute for each minute you are late after the scheduled pick up time. Chronic lateness may result in suspension of your child's participation in the program, with no refunds.

Children must be currently enrolled in the enrichment program and registered in advance to attend any early release day trips.

Classes are not held on City Holidays, School Vacations, Snow Days or any other days when the Cambridge Public Schools are closed.

**Scholarship Donation**

We welcome your contribution to assist us with scholarships for families who are in need of financial assistance. You may choose to support a particular program or contribute to our general scholarship funds. We thank you for your support.

**Equal Access**

The City of Cambridge, Department of Human Service Programs/Community Schools Division does not discriminate in providing services on the basis of race, religion, national origin, cultural heritage, political beliefs, sexual preferences, marital status or disability. The Department of Human Services will provide auxiliary aids and services, written materials in alternative formats, and reasonable modifications in policies and procedures to qualified individuals with disabilities upon request. For more information, call 617-349-2000 (voice) or 617-492-0235.

**Inclusion Policy**

Department of Human Service Programs welcome individuals with disabilities in all of Out of School Time Programs. DHSP will provide reasonable accommodations to individuals with disabilities who meet the basic eligibility requirements of the OST Programs or who with the provision of reasonable accommodations will be able to meet the basic eligibility requirements to facilitate equal participation for those individuals in existing OST Programs.

### **Behavior Policy**

When a child's behavior has been unusually difficult or disruptive, the CS director will communicate with the child's parents/guardian about the incident(s). The goal of this conversation is to solicit their insights into the causes of the behavior. Parents/guardians' cooperation and support is an important part of resolving any behavior problems. If the problem persists, a parent/guardian conference will be scheduled to discuss the problem and formulate an action plan for addressing the problem behavior in the classroom.

In cases where a child's behavior poses a threat to his/her own safety or the safety of others, with the recommendation of the Program Manager and the Division Head, the child may be removed from the group or program for a period of time. Before the child may return to the program, a conference will be held with the Director, Program Manager, parents/guardians, and in some cases, the child, to determine whether it is appropriate for a child to continue in the program. When it is appropriate for a child to continue in the program, an action plan will be created and implemented. In some cases, this action plan may include recommended counseling for the child.

If the standards for safe participation in the program with the existing staff/child ratios cannot be met, the parent/guardian may be asked to withdraw the child from the program. In any case of withdrawal / termination, the DHSP staff will work with the parent/guardian to provide appropriate closure for the child.

If a child has been suspended from the regular school day the child may not attend Community School programming.

The Peabody School activities take precedence over the Community Schools programs. During the school's scheduled gym sports the Community Schools Program will not utilize the space. The children scheduled for a gym activity when the space is unavailable will be integrated into other program activities or will use outdoor space, weather permitting. Please keep this in mind when scheduling for gym activities. We apologize for any inconvenience that this may cause.

**Thank you for choosing the  
Fitzgerald Community School**

# *Community Schools Bus Policy*

The Community School Programs offer afterschool enrichment classes in every elementary school in Cambridge. Most children attend the classes at the Community School located in their school building. Some families prefer to have their children attend classes in the school building located in their neighborhood. If an established bus route exists from a child's school to the preferred Community School, very often the Cambridge Public Schools are able to transport children to that Community School. Parents/guardians need to make transportation arrangements with the Cambridge Public Schools.

In an effort to support families, beginning this year a staff person from Community Schools will be available in front of the school to greet children under the age of 9 arriving by bus and will escort them into the school. Children age 9 and older who have parental permission may enter the school on their own.

To avoid disrupting ongoing classes and to support children's full participation in the enrichment classes, children must arrive no earlier than 15 minutes prior to the start of Community School Program and no later than 1 hour past the program start time. For a breakdown by school of the times that children may arrive for programs, please refer to the schedule below:
