

# Announcement

## Alewife Reservation Constructed Wetland Community Planting Day

The City is pleased to announce a Community Planting Day to commemorate the creation of a 3.2-acre stormwater treatment wetland in the Alewife Reservation. Join us as we will be planting native plant plugs into various marsh zones throughout the wetland.

### Community Planting Day Alewife Reservation Stormwater Wetland

**Saturday, July 14 (8 am to 11:30 am)\***

[Rain date: Tuesday, July 17 (4 pm to 7 pm)]

Please RSVP by e-mail to [cwoodbury@cambridgema.gov](mailto:cwoodbury@cambridgema.gov) no later than 7/11 (so we know how many plants to have on hand). See the project website for more information: [www.cambridgema.gov/theworks/cityprojects.aspx](http://www.cambridgema.gov/theworks/cityprojects.aspx) see "CambridgePark Drive Area Drainage Improvements and Stormwater Wetland Project"

\*NOTE: in case of rain call (617) 349-4818 to confirm if planting has been rescheduled.

#### We will provide:

- Overview of wetland planting strategy
  - Plants!
- Water, snacks and coffee

#### What to Bring:

- Rubber boots (it may get mucky)
  - Hat, sunscreen and bug spray
- Gardener's gloves (preferable, not mandatory)
  - Garden dibble (if handy)

**Direction:** Take the MBTA Redline to Alewife Station and follow the signs. Access into the Alewife Reservation for planting is at the end of the Cambridge Park Drive cul-de-sac.
