Administrative Matters

All the below listed matters were considered and voted upon by the Board without public testimony. Unless otherwise indicated, all the matters were decided upon by the individual review of the papers/applications/matter before the Board members and each member voted upon the matter. The summary of what is considered by the Board, unless otherwise indicated, is the identifying information of the matter as listed on the agenda.

14. **Request to Stay Suspension** Chazumba, LLC d/b/a Felipe's Taqueria, 21 Brattle Street, Common Victualler All Alcohol License #11516, has filed an appeal with the Alcoholic Beverages Control Commission ("ABCC") as to the Board's findings of the case heard and decided on March 25, 2022, and May 2, 2022. In that case, the Board issued a one-day suspension and based on the violation finding, the one day being held in abeyance for the case heard and decided on September 30, 2021, and November 16, 2021, was also ordered to be served. Felipe's Taqueria was set to serve the two days on June 9, 2022, and June 14, 2022. Based on the receipt of the request to stay, an alternate date of June 23 was given for the June 9 suspension date in order to have the Board consider the request to stay the suspension while the ABCC appeal is pending. If the Board denies the request to stay the suspension, the suspension will have to be served on June 14 and June 23, 2022.

Summary: The hearing at the ABCC will be de novo, meaning it will be presented as if our case was not. After the ABCC hears the matter they will decide (based on what they heard at their hearing)

whether our decision was proper and if so, whether the discipline imposed was commensurate or capricious. In this case, the licensee did not contest the violation. They did not present any mitigating factors and our decision was grounded on the first hand observations of our own investigator. The appealed filed does not specify anything, it does not present any errors of law or even contest that the Board's decision was not appropriate. The business has a solid disciplinary history including a similar violation. In addition, the Board's decision was very limited considering this history and was not punitive.

Decision: Request to stay suspension denied.

15. **Disciplinary – Waiver of Hearing Filed** Republic Services, holder of Solid Waste Hauler Permit #14078, for alleged violations of Cambridge Municipal Code 8.16.080(e) – Loading and Unloading on May 26, 2022, at approximately 5:47 a.m. in the vicinity of 80 Trowbridge Street
