

Massachusetts Avenue Partial Construction Project: Waterhouse Street to Linnaean Street

CONSTRUCTION OPEN HOUSE

Project Website

Since 2022, the City has been planning separated bike lanes and other safety improvements on Massachusetts Avenue between Waterhouse Street and Alewife Brook Parkway. When complete, the project will include:

- Separated bicycle facilities
- Improved & additional crosswalks
- Bus priority treatments
- Specific areas for short-term parking, loading & deliveries
- Removal of median at most locations

CONSTRUCTION OPEN HOUSE

WHEN: Wednesday, March 26,
5:30-7:30 PM

WHERE: Lesley University, University Hall
Atrium, 1815 Mass Ave, 2nd Floor
(accessible by elevator)

Construction to remove the median on Mass Ave between Linnaean Street and Waterhouse Street will begin in early Spring. Removing the median now will make construction easier and less disruptive for businesses, residents, and visitors. Some additional water work and other improvements will also be made. The design for this area was reviewed by the public in December 2023, and since then there have been no major changes.
