

**Monthly Women's Commission Meeting
December 13, 2022**

Minutes

Attendees: Pauline, Barbara, Rhonda

Staff: Kimberly, Emily

New CCSW Commissioners

The application deadline has passed for the Women's Commission and we will be getting the applications after January 1. We are not sure yet how our numbers and types of applications compare with other commissions that have openings. Once received, we will all have a chance to review them then and decide who we will bring in for interviews.

Girlx in Sports

We have secured a date for our 2nd annual Girlx in Sports night at War Memorial – January 18, 5:30pm.

“Take a break from the cold and get active! Come join us for a fun, free event for families with girlx* in kindergarten through 5th grade. Explore new sports and learn about existing Cambridge-based teams while you enjoy hands-on demonstrations, sign-up, games, pizza, prizes and more! Basketball, lacrosse, hockey, cheerleading, football and MUCH more!

*This event is open to all those who identify as girls or with girlhood.”

Bike Program

Rhonda connected with a former student who fixes bikes. She has continued her program of collecting bikes, fixing them, and connecting them with community members who need them. Her work is expanding and she recently rented a van to collect donated bikes from Belmont and Watertown. Rhonda is currently reaching out to many people (particularly women and children) in Cambridge who will receive these much-needed bikes. We are so grateful to Rhonda for her work in this area!
