

## **Note about parking and transportation options for HEALTHCARE CONFERENCE**

Friday, May 26

Registration: 9:30

State & National Perspectives on Managed Care: 10:00-12:00

Lunch and Networking: 12:00-1:00

State and National Perspectives on Home and Community Based Supports: 1:00-3:00

Cambridge Main Library

449 Broadway

Cambridge, MA 02138

Due to limited parking in Cambridge, we recommend taking public transportation if possible.

### **By Public Transportation:**

#### **Subway**

The Library is located about a half mile from the Harvard Square MBTA Station.

#### **Bus**

The Route 68 bus stops just in front of the Library (Broadway and Trowbridge). Note that this bus does not run past 7:00pm.

The Route 69 bus also stops nearby (Cambridge Street at Felton Street is 0.18 miles from the Library) and runs past midnight.

The Route 1 bus stop at Quincy Street and Broadway is 0.22 miles from the Library, and this route also runs past midnight.

Please see [www.mbta.com](http://www.mbta.com) for bus and train schedules and maps.

### **The RIDE:**

The RIDE is able to drop-off and pick-up from the Library's underground garage, which is the nearest vehicular access point to the Library. You may need to request that your driver use this location, noting that the garage is able to accommodate The RIDE vehicles, including high-top vans.

### **Drivers:**

Please be advised that parking near the Cambridge Public Library is limited. However, the Library does have a 70-car underground parking garage with access from Broadway, including several disability parking spaces. The fee for parking is 25 cents for every 15 minutes, with a two-hour limit (vehicles displaying a valid disability parking plate or placard are exempt from the fee and time limit). The parking fee may be paid with quarters or credit card (MasterCard or Visa) at the kiosk to the left of the doors leading from the garage to the Library. Please note the number of your parking space, as you will need to enter it into the kiosk. Garage parking is strictly enforced and cars will be ticketed if time runs out.

However, the Department of Traffic, Parking & Transportation has graciously granted parking consideration for this event, **allowing non-resident vehicles to park in on-street resident-only parking from the hours of 9am to 4pm within a three-block radius of the Library (see attached map)**. Please note that this **does not affect metered spaces**, which are subject to the posted fees and time limits. Be sure to check signs for street cleaning to avoid being ticketed and towed.
