NOTICE OF CHANGE OF OCTOBER MEETING DATE

On September 19, 2019, at its regular public meeting, the Pole and Conduit Commission (the "Commission") announced the following changes to its October calendar.

(1) On October 17, 2019, the Commission will hold a meeting at 10:00 a.m. at its usual location, 831 Massachusetts Avenue, Carmelia M. Vicente Conference Room (basement level), Cambridge. At that meeting, the only matter that will be discussed is the Small Cell Policy. It is the intent of the Commission to adopt any changes and complete the revision process at that time so that at the end of the meeting the Small Cell Policy is in its final form with no foreseeable amendments to be made in the future.

(2) On October 31, 2019, the Commission will hold a meeting at 10:00 a.m., at its usual location, to consider all petitions filed seeking grants of locations.

(3) Petitioners seeking grants of location that are **not** related to small cell wireless attachments that want to be heard on October 31, **must** submit the application to the Commission through its online application portal, ViewPoint, **no later than October 21, 2019, at 5:00 p.m.**

(4) Petitioners seeking grants of location **that are** related to small cell attachments and want to be heard on October 31, **must** submit the application to the Commission through its online portal, ViewPoint, **between October 22, 2019 and October 25, 2019.**
