

Carl Barron Plaza

Open House & Outdoor Engagement

Come Tell Us What You Think of the Plaza!

How do you use it? What do you like, not like?

As part of the River Street Reconstruction Project we'll be looking at changes to Carl Barron Plaza that consider the many people and uses of the Plaza as well as public art, fixed and/or unfixed furniture, access, plantings, and landscaping. The design must also consider the complexity of the bus bays adjacent to the Plaza and people moving through the Plaza. Future events will involve brainstorming design ideas.
