Agenda
Cambridge COVID-19 Expert Advisory Panel
2 pm, Tuesday May 12th, 2020
Call-in: [REDACTED]

Updates on:

- **City website publishing of home-care guidelines**
 - **Op-ed letter to support safe housing for well workers**
- 1) **Availability of viral testing. Is it sufficient for expansion of testing sites, testing of at-risk individuals, and testing of households with positive individuals (could be offered upon giving results to those seeking testing)?**
 - 2) **Symptoms and transmission among children, new data and need to communicate information to daycare providers before reopening**
 - 3) **How to help small business advisory about safe reopening**
