STEAM Events

Fundamentals of Cell Phone Photography

Thursday, July 18
6:00 - 8:00 PM
Main Library, Learning Lab

If you own a cell phone, you probably have all of the technical tools you need to take great-looking photos, but where to start? In this workshop, participants will go beyond the cell phone camera and explore the principles of photography and the wide-ranging possibilities offered by free and inexpensive cell phone photography apps.

Video Editing Concepts

Tuesday, August 6
6:00 - 8:00 PM
Main Library
Learning Lab

In movies, editing can be used to manipulate the audience's emotions. It provides the rhythm of the scene and can drastically alter the way it's experienced. In this class, we'll look at famous examples of editing techniques that will add to your greater understanding as a viewer and producer.

Instructor: Peter Levine

CONSTRUCTION HAS STARTED ON THE HIVE!

We are excited to announce that the transformation of this space into the Hive, CPL's new STEAM creativity zone is underway. The Hive will contain a makerspace, extended reality lab, and multimedia recording studios. The Hive is scheduled to open early 2020. We appreciate your patience and support during construction.
