June 2026

Hello Friends,

As we step into June, I am trying to do so with gratitude and renewed energy. June brings longer days, lighter moments, and a sense of possibility. However, I find myself struggling. The days have been hard. Many in my circle are dealing with some very difficult things, especially health. I find myself struggling, as all I can do is be present to listen and support in whatever way I can.

Let me try to return to the sentiment of gratitude and renewed energy. Even amongst the struggles there are many things to be grateful for and be energized by.

Thank you to everyone who joined our recent Age Café and Reading Through Resilience Group gatherings—your presence, your stories, and your spirit continue to brighten our Senior Center community.

The conversations we shared remind me of the strength that comes from connection and the resilience we build together. Each conversation reminded me of

the power of shared stories and collective resilience. Thank you for showing up with openness, curiosity, and heart. Your participation continues to shape these spaces at the Senior Centers into something truly special. Please join Age Café on June 15 and July 20 for more conversation and connection.

May this new month inspire fresh perspectives, meaningful interactions, and opportunities to grow—individually and collectively.

I look forward to all that June will bring and hope to continue to step into gratitude. Here is to longer, sun filled days and lighter moments.

Warm Regards,
Susan P. Pacheco
Executive Director

Advisory: Registry Alerts Public About Text Scam

For immediate release:
May 20, 2026

Fraudulent message has "marmv" in the URL and requests payment. This text should be deleted. BOSTON - The Massachusetts Department of Transportation Registry of Motor Vehicles (RMV) is alerting the public of a new text message scam which tells recipients they owe money for driving infractions and that the recipient must immediately visit a fraudulent website to make payment that is due. Everyone should be suspicious of texts that tell the recipient it is urgent to act and make payments, as the RMV does not send people text messages requesting payment. This new scam fraudulently claims to represent the RMV and even has in the payment URL letters that would lead a person to think the text was from the Massachusetts RMV.

Introduction to Theatre

Mondays, 1:30 - 2:30

A View From the Bridge by Arthur Miller.

A View From the Bridge is a Greek tragedy, transposed to 1950's Red Hook, Brooklyn, in which Eddie Carbone, a longshoreman, struggles with his feelings for the niece that he and his wife, Beatrice, have raised. As Catherine nears the age of 18, Eddie finds his love for her and desire to protect her becoming something more -- something he cannot control or even acknowledge to himself. When he agrees to smuggle two young men from Beatrice's family in Sicily into the country and give them a place to stay while they find work, the tenderness that develops between Catherine and one of them pushes Eddie to the brink of sanity. The lawyer, Alfieri, to whom Eddie turns for advice on how to combat the situation, tells him that no law exists to serve his purpose. When Eddie leaves, Alfieri says, "There are times when you want to spread an alarm, but nothing has happened...I could see every step coming, like a dark figure walking down a hall toward a certain door." There are no villains in Miller's play, only a man, waging a losing battle against his darkest impulses.
