(6:00 p.m.)

Sitting Members: Jim Monteverde, Steven Ng, Virginia
Keesler, Daniel Hidalgo, Wendy Leiserson,
and Zarya Miranda

JIM MONTEVERDE: Good evening and welcome to the
April 10, 2025 meeting of the Cambridge Board of Zoning
Appeal. My name is Jim Monteverde, and I am the Chair.

Pursuant to Chapter 2 of the Acts of 2023 adopted
by Massachusetts General Court, and approved by the
Governor, the City is authorized to use remote participation
at meetings of the Cambridge Board of Zoning Appeal.

This meeting is being video and audio recorded and
is broadcast on cable television Channel 22 within
Cambridge.

There will also be a transcript of the
proceedings.

All Board Members, and applicants, and members of
the public will state their name before speaking. All votes
will be taken by roll call.

Members of the public will be kept on mute until

1 it is time for public comment. I will give instructions for
2 public comment at that time, and you can also find
3 instructions on the City's webpage for remote BZA meetings.
4 Generally, you will have up to three minutes to speak.

5 I'll start by asking Staff to take Board Members
6 attendance and verify that all members are audible. Okay.
7 One moment.

8 STEPHEN NATOLA: Zarya Miranda?

9 ZARAYA MIRANDA: Present.

10 STEPHEN NATOLA: Steven Ng?

11 STEVEN NG: Present.

12 STEPHEN NATOLA: Virginia Keesler?

13 VIRGINIA KEESLER: Present.

14 STEPHEN NATOLA: Daniel Hidalgo?

15 DANIEL HIDALGO: Present.

16 STEPHEN NATOLA: Wendy Leiserson?

17 WENDY LEISERSON: Present.

18 JIM MONTEVERDE: Thank you. I think Wendy, you're
19 just -- you're not involved in the first case?

20 WENDY LEISERSON: Correct.

21 JIM MONTEVERDE: Right? Okay.

22

* * * * *

(6:04 p.m.)

Sitting Members: Jim Monteverde, Steven Ng, Virginia

Keesler, Daniel Hidalgo, and Zarya Miranda

JIM MONTEVERDE: First case I'm going to call, a continued case -- is Case No. 1149291, 29 Mount Auburn Street.

Is there anyone calling in on signage at St. Paul's Church? Pamela Jagiello or Michael Cohen?

STEPHEN NATOLA: Jason Parillo.

JASON PARILLO: Yes, I'm present.

JIM MONTEVERDE: Hi. Can you identify yourself and --

JASON PARILLO: Yes. My name is Jason Parillo. I am with Pro Sign Service. And my petition tonight is for the Verizon sign -

JIM MONTEVERDE: No. Too early. Hold on. You are ahead of the schedule. Come back.

JASON PARILLO: I'll be here.

JIM MONTEVERDE: All right. You are part on our main agenda; you can come back at 6:30.

JASON PARILLO: Thank you.

1 MONTEVERDE: We appreciate your enthusiasm,
2 though. Dully noted.

3 All right. How about anyone calling in on 29
4 Mount Auburn? Signage at St. Paul's Church?

5 DOUGLAS LEE: Hi. My name is Douglas Lee. I'm
6 the Finance and Operations Manager for St. Paul's Parish.

7 JIM MONTEVERDE: Great.

8 TOM GRAVE: And this is Tom Grave. I'm here with
9 Signarama. I presented last time --

10 JIM MONTEVERDE: Yep. Okay.

11 TOM GRAVE: -- for this body.

12 JIM MONTEVERDE: Very good. Can you call up one
13 graphic?

14 Let me just help this along. So I think it's --
15 last time when we met, you were here before on February 27
16 -- there's a photo of you. And we went through your
17 presentation. We're going to bring up a graphic, just to
18 confirm that this is still the sign that we're talking
19 about.

20 DOUGLAS LEE: Yes, that's correct.

21 JIM MONTEVERDE: That's it?

22 DOUGLAS LEE: And as you recall -- yes. And then

1 we had the Circle Board meeting, right? the following week,
2 and so, the --

3 JIM MONTEVERDE: Right.

4 DOUGLAS LEE: -- request to come back --

5 JIM MONTEVERDE: Yeah.

6 DOUGLAS LEE: -- after that Board meeting, yep.

7 JIM MONTEVERDE: Exactly. That's why we continued
8 it; we wanted to make sure the Historic Commission had done
9 that meeting and had any comments.

10 And we have correspondence from the Cambridge
11 Historic Commission, a Certificate of Appropriateness. This
12 is dated April 10, 2025.

13 And it says that the work described below is not
14 incongruous to the historic aspects or architectural
15 character of the building or district.

16 And it describes to install one non-illuminated
17 wall sign on the west-facing DeWolfe Street façade at a
18 height of greater than 20' above grade; that's really the
19 issue that brought you here.

20 Work is to be carried out as shown in the sign
21 renderings by Signs by J, submitted with the application for
22 the certificate and approval is granted on the understanding

1 that the method of installation will not involve adhesive on
2 the masonry.

3 And lastly, the typical language that says, "This
4 certificate is granted upon the condition that the work
5 authorized herein is commenced within six months after the
6 date of issue.

7 If the work authorized by the certificate is not
8 commenced within six months after the date of issue, or if
9 such work is suspended in significant part for a period of
10 one year after the time the work has commenced, then this
11 certificate shall expire and be of no further effect."

12 So we have the letter from the Historic
13 Commission, a Certificate of Appropriateness. So unless --
14 do you have anything else to present? Any new news, or is
15 that basically it?

16 DOUGLAS LEE: That's really it.

17 JIM MONTEVERDE: Okay.

18 DOUGLAS LEE: We were happy to get their blessing

19 --

20 JIM MONTEVERDE: Okay.

21 DOUGLAS LEE: -- and go back to request the
22 approval.

1 JIM MONTEVERDE: All right. One quick question.
2 I noticed in driving by, there's a new sign on the Mount
3 Auburn Street face of the -- it's the back side of the
4 church. I assume that didn't require any relief because
5 it's lower than 20', is that correct?

6 DOUGLAS LEE: Correct, yep.

7 JIM MONTEVERDE: Okay.

8 DOUGLAS LEE: So it is permitted, but it didn't
9 require -- yeah, didn't require an appeal.

10 JIM MONTEVERDE: Okay. Thank you. Any questions
11 from Members of the Board? If not, I'll open it up to
12 public comment. We have no correspondence in the file
13 besides what I just read from the Historic Commission. So
14 I'll open it up to public comment.

15 Any members of the public who wish to speak should
16 now click the icon at the bottom of your Zoom screen that
17 says, "Raise hand." If you're calling in by phone, you can
18 raise your hand by pressing *9 and unmute or mute by
19 pressing *6.

20 I'll now ask Staff to unmute speakers one at a
21 time. You should begin by saying your name and address, and
22 Staff will confirm that we can hear you. After that you

1 will have up to three minutes to speak before I ask you to
2 wrap up.

3 All right. No one is calling in. So we will
4 close public testimony.

5 Any discussion among Members of the Board? If
6 not, I would like to remind the Board that St. Paul's as a
7 religious institution -- and this is a Religious Use --
8 uniquely falls under federal regulations that are -- this
9 doesn't exactly roll off my tongue, so I'll spell it -- it's
10 the initials R.L.U.I.P.A -- RLUIPA. And I will quote.

11 It says, "Land Use Requirements cannot be applied
12 to a Religious Use if the requirement substantially burden
13 the use and if the Board cannot -- "Board" -- this Board --
14 cannot articulate compelling government interest that would
15 be impacted if the Zoning Regulations were not applied, as
16 well as demonstrate that the Board use the least restrictive
17 means in applying the requirements."

18 To me personally, it means this signage is really
19 a de minimis item, and we have -- at least personally I feel
20 we would have -- little standing to be able to object to it.

21 So I myself will vote in favor, and I hope that
22 the rest of you feel the same.

1 With that said, I will make a motion.

2 The Chair makes a motion to grant relief from the
3 requirements of the Ordinance under Sections 7.16.22.c for a
4 wall sign, and 10.30 for a Variance on the condition that
5 the work proposed conforms to the drawings entitled -- we're
6 using the graphics that were submitted with the sign
7 certification application that's in our file, so I will use
8 that to initial it -- initialed and dated by the Chair.

9 And further, that we incorporate the supporting
10 statements and Dimensional Form submitted as part of the
11 application.

12 Further, that the Variance is granted
13 incorporating the following conditions: and those
14 conditions are the ones I just referred to in the memo from
15 the Cambridge Historic Commission; that being the work is
16 installing one nonilluminated sign, height greater than 20'
17 -- the work carried out as shown on the sign renderings
18 prepared by Signs by J.

19 And approval is granted understanding that the
20 installation will not involve adhesive on the masonry.

21 So on a voice vote, please, Board Members?

22 STEVEN NG: In favor.

1 JIM MONTEVERDE: Thank you. Daniel?

2 DANIEL HIDALGO: In favor.

3 JIM MONTEVERDE: Thank you. Virginia?

4 VIRGINIA KEESLER: In favor.

5 JIM MONTEVERDE: Thank you. Zarya?

6 ZARAYA MIRANDA: In favor.

7 JIM MONTEVERDE: Thank you. And Jim Monteverde in
8 favor.

9 [All vote YES]

10 JIM MONTEVERDE: That's five in favor. The
11 relief is granted. Thank you.

12 DOUGLAS LEE: Thank you very much. Appreciate it.

13 TOM GRAVE: Thank you.

14 JIM MONTEVERDE: You're welcome.

15

16

21

22

* * * * *

(6:13 p.m.)

Sitting Members: Jim Monteverde, Steven Ng, Virginia
Keesler, Daniel Hidalgo, and Wendy
Leiserson

JIM MONTEVERDE: Next case is BZA-285359 -- 100
Otis Street #1. And I believe we have correspondence. We
have a letter dated April 7 from Michael McKee from 100 Otis
Street, asking us to withdraw their application. I'm
assuming that's withdraw without prejudice.

This says -- and I'll read it -- "With regard to
our request for a variance, BZA Case 285359 -- the zoning
amendment enacted by the City Council in January of this
year eliminated the barriers that required the variance. So
we are writing to request that our case be withdrawn."

It also goes on to say, "We have since reached an
understanding with our condominium neighbors and have
secured their approval for the work. We would be submitting
application to ISD for our building permit in the coming
weeks to start that process.

"Thank you very much for your help and
understanding."

1 So this is a case to be withdrawn. So I will make
2 a motion. This is a motion to grant relief from the
3 requirements or withdraw the case at BZA-285359 for 100 Otis
4 Street #1 to be withdrawn without prejudice.

5 On a voice vote, please? Wendy?

6 WENDY LEISERSON: Approved.

7 JIM MONTEVERDE: Thank you. Virginia?

8 VIRGINIA KEESLER: In favor.

9 JIM MONTEVERDE: Thank you. Daniel?

10 DANIEL HIDALGO: In favor.

11 JIM MONTEVERDE: Thank you. Steven?

12 STEVEN NG: In favor.

13 JIM MONTEVERDE: Thank you. And Jim Monteverde in
14 favor.

15 [All vote YES]

16 JIM MONTEVERDE: So the case is withdrawn.
17
18

* * * * *

(6:16 p.m.)

Sitting Members: Jim Monteverde, Steven Ng, Virginia
Keesler, Daniel Hidalgo, and Wendy
Leiserson

JIM MONTEVERDE: The next case is -- this
is another withdrawal -- BZA 1152107 -- 12 Hubbard Park
Road. Yeah. One second, please.

So we have -- and if you can all see it on the
screen -- a letter dated March 5, 2025, from Attorney
Rhatigan, reading, "Enclosed, please find our filing in
connection -- " no, sorry, this is the application; there is
a letter that withdraws this. Here we go.

April 7, 2025, from Attorney Rhatigan: "On behalf
of the petitioner, we request a withdrawal of the above-
referenced Board auxiliary appeal application without
prejudice." And again, this is BZA Case 1152107, at 12
Hubbard Park Road.

So on a voice vote, please, to withdraw this
letter without prejudice, Wendy?

WENDY LEISERSON: In favor.

JIM MONTEVERDE: Thank you. Virginia?

1 VIRGINIA KEESLER: In favor.

2 JIM MONTEVERDE: Thank you. Daniel?

3 DANIEL HIDALGO: In favor.

4 JIM MONTEVERDE: Thank you. Steven?

5 STEVEN NG: In favor.

6 JIM MONTEVERDE: Thank you. And Jim Monteverde in
7 favor.

8 [All vote YES]

9 JIM MONTEVERDE: That's five affirmative. The
10 case is withdrawn without prejudice. Now we have to take a
11 break until 6:30. So Zaraya, thanks for joining us. But the
12 rest of you please come back at 6:30. Lock it in. Thanks.

13

14

22

* * * * *

(6:30 p.m.)

Sitting Members: Jim Monteverde, Steven Ng, Virginia
Keesler, Daniel Hidalgo, and Wendy
Leiserson

JIM MONTEVERDE: The first case on the Regular
Agenda is BZA 1152085 -- 60 First Street in Cambridge. And
this is a variance for a wall sign.

Jason Parillo, are you still with us? Or are you
back with us?

JASON PARILLO: Yes, I am.

JIM MONTEVERDE: Excellent.

JASON PARILLO: I'm back.

JIM MONTEVERDE: You brought up the cover of your
application drawings. Do you want to walk us through this
and describe what you need the variance variance from?

JASON PARILLO: Sure. Good evening, Mr. Chairman
and Members of the Board. My name is Jason Parillo. I'm
here tonight for Pro Sign Service. This is a pretty
straightforward request.

This sign is a 19.33 square-foot wall sign. What
is allowed is a 14.58 square-foot wall sign. The reason why

1 is that the width of the store on the street side is only
2 14.58' wide, so that's the formula that gives them the 14.58
3 square-foot sign.

4 It's kind of an irregular -- in a way an irregular
5 shape store, because the depth of the store is over 30' and
6 that -- so that's the entrance that's in the common area of
7 the building.

8 So what we're asking for here is an increase from
9 what's allowed of only 4.75 square feet. And the reason for
10 that request is just so that the sign can be visible to
11 attract customers. This is a newly renovated building.
12 There's going to be a number of other new businesses in
13 here.

14 And because this is kind of a unique shape to this
15 store, where they only have that small width of storefront
16 on the street, it really restricts the size of this sign to
17 be legible to compete for those eyes in this busy
18 thoroughfare with a number of other businesses.

19 So that's pretty much it. It's an illuminated set
20 of letters. The letters are only 18" high. And if you have
21 any questions, I'd be happy to answer them.

22 JIM MONTEVERDE: No. And you said this is -- it's

1 an illuminated sign? Is that correct?

2 JASON PARILLO: Yes. That's correct. Yeah,
3 they're individual, illuminated channel letters.

4 JIM MONTEVERDE: Okay. All right. Any questions
5 from Members of the Board? If not, I will open it up to
6 public comment. We have no correspondence in the file either
7 for or against. So for the public --

8 Any members of the public who wish to speak should
9 now click the icon at the bottom of your Zoom screen that
10 says, "Raise hand." If you're calling in by phone, you can
11 raise your hand by pressing *9 and unmute or mute by
12 pressing *6.

13 I'll now ask Staff to unmute speakers one at a
14 time. You should begin by saying your name and address, and
15 Staff will confirm that we can hear you. After that you
16 will have up to three minutes to speak before I ask you to
17 wrap up.

18 No one is out there. All right. We'll close
19 public testimony. Any discussion among Members of the
20 Board?

21 WENDY LEISERSON: Jim, this is Wendy. I did have
22 one question.

1 JIM MONTEVERDE: Yep.

2 WENDY LEISERSON: How is this frontage compared to
3 the other businesses in the same building? Like, is this
4 going to mean that all of the frontage, you know, are they
5 also really narrow in front? And so, there's going to be a
6 request for each of the businesses for this variance?

7 JASON PARILLO: To my knowledge is that they're
8 all really different. This one is a little unique because
9 you have this bay of windows, but as you can see in the --
10 what's on the next screen right now, the two windows that
11 don't have the graphics on them, that's actually like --
12 that's actually a stairwell.

13 So I believe that's unique to this bay. I think
14 the other bays are -- you know, are -- that's the whole
15 storefront for the store. So that's why we were unable to
16 include that portion of the bay in our frontage.

17 JIM MONTEVERDE: Oh. Got it.

18 WENDY LEISERSON: I see. Thank you.

19 JIM MONTEVERDE: Okay. Any other discussion from
20 Members of the Board? If not, I will move to a motion. And
21 this is a variance.

22 The Chair makes a motion to grant relief from the

1 requirements of the Ordinance under Sections 7.16.22.c for a
2 Wall Sign, and for a variance 10.30 for a Variance.

3 And then for that Variance, we need to find that a
4 literal enforcement of the provisions of the Ordinance would
5 involve a substantial hardship. The hardship is owing to
6 circumstances relating to the soil condition, shape, or
7 topography of such land.

8 And desirable relief may be granted without either
9 substantial detriment to the public good or nullifying or
10 substantially derogating from the intent or purpose of this
11 Ordinance. And I think that criteria is fulfilled from
12 Section 10.31 for the Variance Criteria.

13 On the condition that the work proposed conforms
14 to the drawings entitled, "Exterior Signage Submittal for
15 Verizon," dated October 19, 2024, prepared by Identiti;
16 initialed and dated by the Chair.

17 And further that we incorporate the supporting
18 statements and dimensional forms submitted as part of the
19 application.

20 Board Members on a voice vote, please? Wendy?

21 WENDY LEISERSON: In favor.

22 JIM MONTEVERDE: Thank you. Virginia?

1 VIRGINIA KEESLER: In favor.

2 JIM MONTEVERDE: Thank you. Daniel?

3 DANIEL HIDALGO: In favor.

4 JIM MONTEVERDE: Thank you. Steven?

5 STEVEN NG: In favor.

6 JIM MONTEVERDE: Thank you. And Jim Monteverde in
7 favor.

8 [All vote YES]

9 JIM MONTEVERDE: That's five in favor. The relief
10 is granted.

11 JASON PARILLO: Thank you very much. Have a great
12 evening.

13 JIM MONTEVERDE: Thank you.

14

15

16

17

18

19

20

21

22

* * * * *

(6:45 p.m.)

Sitting Members: Jim Monteverde, Steven Ng, Virginia
Keesler, Daniel Hidalgo, and Wendy
Leiserson

JIM MONTEVERDE: All right, we're back. Next case
is BZA-1152923 -- 1611 Cambridge Street. This one is a
variance. And it is a approximately signage variance. Do
we have anyone calling in who wants to speak? Yep.

Rachel, are you with us? Do you want to describe
to us what you're planning and what relief is required?

RACHEL WATSKY: Yeah, absolutely. Good evening.

JIM MONTEVERDE: Hi.

RACHEL WATSKY: My name is Rachel Watsky. I'm
from Watsky Law; Counsel for the applicant. Essentially,
they're -- the property has been in use as medical offices
since I believe around at least 1973, pre-zoning.

And since, again, to my knowledge historically it
has had two signs on each of the front entrances along
Cambridge Street. The current signs in their existing
condition which are the ones on the left image, which is the
Harvard Vanguard Medical Associates then HVS Health. That

1 sign is on both of the entrances, and it's about 35 -- each
2 one is about 35 square feet, so it's not compliant with the
3 underlying zoning for the residential district.

4 However, the proposed signs are essentially going
5 to bring it -- decrease the nonconformity by bringing it to
6 29.32 square feet for each sign. The length, that falls
7 along with the Section 7.18, which is the lawfully existing
8 nonconforming signs.

9 So the intent here is to decrease the existing
10 signs area, update the signs so that they are accurate to
11 the identification of the medical offices there. They are
12 not going to be backlit or illuminated in any form; they're
13 just a catch to the brick façade of the building.

14 I don't believe that there's really any disruption
15 to the neighborhood; they don't, they're not going to be
16 changing anything particularly; they're just replacing
17 what's there in kind with something that's a smaller, more
18 updated structure.

19 JIM MONTEVERDE: Okay. And if I read the material
20 correctly, what's allowed would be 20 square feet apiece for
21 each side.

22 RACHEL WATSKY: So the --

1 JIM MONTEVERDE: And it's --

2 RACHEL WATSKY: So --

3 JIM MONTEVERDE: -- the proposal is -- again, the
4 reduction, as you mentioned, but it'll be --

5 RACHEL WATSKY: Mm-hm.

6 JIM MONTEVERDE: -- 29.32 square feet per side.
7 Right?

8 RACHEL WATSKY: So yes. Yes, and --

9 JIM MONTEVERDE: Okay.

10 RACHEL WATSKY: -- if that's all right. So under
11 Section 7.16, for the Residential District for signs, it
12 limits the maximum permitted area of the signs to 20 square
13 feet.

14 The lawfully existing nonconforming signs
15 provision references the provided formula for calculating
16 the allowable area of the proposed signs as the 1 square
17 foot by the sign frontage.

18 The sign frontage is the length of the building,
19 as you know. The length of this building is approximately
20 63 linear feet, so if you're looking at it in that
21 perspective, it is underneath that permissible square
22 footage.

1 But since we -- since there was -- this led -- the
2 application here was due to a denial from the Building
3 Inspector on the grounds of it being -- exceeding that 20
4 square foot.

5 So on that basis, yes, there is -- it would need a
6 variance for the size of the square footage of the signs,
7 but it is decreasing the nonconformity.

8 JIM MONTEVERDE: And in the application, I didn't
9 see -- it's mounted at the same height as the existing sign
10 is, but I didn't see a dimension. Are you above the 20'
11 height, or are you within that height, do you know?

12 RACHEL WATSKY: I admit I am not sure. It's
13 certainly --

14 JIM MONTEVERDE: Okay.

15 RACHEL WATSKY: -- something I could look into.
16 But I don't -- I don't believe that it's -- if it -- I --
17 it's either not over the 20' or it's not significantly above
18 it, and it would just be, again, not increasing an existing
19 nonconformity; it would be maintaining it.

20 JIM MONTEVERDE: Right.

21 RACHEL WATSKY: Or slightly increasing it.

22 JIM MONTEVERDE: Okay. Thank you.

1 RACHEL WATSKY: Thank you.

2 JIM MONTEVERDE: Anything else?

3 RACHEL WATSKY: Nope. That's it. I'm happy to
4 answer questions --

5 JIM MONTEVERDE: All right.

6 RACHEL WATSKY: -- if there are any.

7 JIM MONTEVERDE: Thank you. Any questions from
8 Members of the Board?

9 WENDY LEISERSON: I just had a question about your
10 interpretation of 7.18.2. You're relying on Section --
11 subsection B there. Are you interpreting that first phrase,
12 "notwithstanding the limitations of Section 7.18.2 above" to
13 be -- I mean, you reference that as including the
14 requirement that to be part -- be compliant under this
15 section, you have to be using the supporting structure that
16 was under the preexisting signs, or how do you interpret the
17 two subsections together?

18 RACHEL WATSKY: If you can give me a moment, I'm
19 just going to pull up the section so I can make sure I'm not
20 shooting from the hip, so to speak. My apologies. Just
21 bear with me. I'm going down to Section 7.

22 WENDY LEISERSON: Sure. I usually need coffee to

1 read this section. So.

2 RACHEL WATSKY: It is a fairly dense Ordinance. I
3 will give you that. All right.

4 WENDY LEISERSON: Do you need me to explain my
5 question, because it may have been not clear?

6 RACHEL WATSKY: I'll double check if I understood,
7 yeah. If you could repeat it, that would be helpful. Thank
8 you.

9 WENDY LEISERSON: So if I'm following your
10 argument, you're saying that it does not need a variance,
11 because 7.18.12.b applies, correct? Is that what you're --

12 RACHEL WATSKY: Yes.

13 WENDY LEISERSON: Okay.

14 RACHEL WATSKY: Yes. However, we're not saying
15 we're not doing a variance application. That was basically
16 just, in our opinion it doesn't. But given the rulings, we
17 are just going forward and seeking a variance.

18 WENDY LEISERSON: Okay. So do you -- are you
19 seeking a decision on whether you need a variance?

20 RACHEL WATSKY: Yes. No. No, we are seeking a
21 variance. We're not going to dispute the decision from the
22 Building Inspector that said that it needed a variance.

1 It's just --

2 WENDY LEISERSON: Right.

3 RACHEL WATSKY: -- in our opinion it doesn't, but
4 so we're just leaving that in the record. But for the
5 purposes of keeping things moving, we're seeking a variance.

6 WENDY LEISERSON: Okay. just for the record, my
7 question was whether or not 7.18.2.b, the first phrase,
8 which says, "notwithstanding the limitations in 7.18.2.a"
9 meant that in order to fall under the application of the
10 subsection b, you also had to comply with the requirements
11 of subsection a, which is that you could alter the sign,
12 provided the basic supporting structure is not altered, and
13 yadayadayada.

14 So that's what my question was. So.

15 RACHEL WATSKY: Yeah. Understood. Thank you for
16 clarifying -- thank you for repeating it.

17 WENDY LEISERSON: But since --

18 RACHEL WATSKY: -- and it --

19 WENDY LEISERSON: -- it may be moot, I don't know,
20 we can probably move on.

21 RACHEL WATSKY: It's probably moot, because we're
22 seeking a variance. But in my opinion, it generally -- like

1 "notwithstanding" is unfortunately by definition it can
2 actually go both -- given that and including it, and then
3 also disregarding the prior statement.

4 So it can range somewhat on the context of how the
5 provision is written.

6 And this one I would view it that the subsection a
7 is talking about referencing back to Section 1 and saying
8 that "not covered by" -- the nonconforming signs not covered
9 by that can be altered, provided it meets -- as you said,
10 that basic supporting structure not being altered, and the
11 costs or the replacement value of the sign.

12 I would then read Section -- subsection b as
13 saying given what that one says, what subsection a says, in
14 the circumstance where it's proposed to replace the existing
15 sign, where the ground-floor establishment or the building
16 as a whole contains the total area of legal -- or contains
17 the total area of legal nonconforming signs, exceeding the
18 maximum permitted under Article 7, the new sign may be
19 installed and may contain an area of 6' based on that
20 formula, or that area permitted by the application of the
21 formula.

22 I would view that as essentially a disre-- not

1 disregarding, but in the circumstance where it's proposed on
2 that ground for -- to replace the existing sign, that's what
3 you can do. So a different requirement.

4 But I do think you have a point; it may not be
5 relevant here, since we are requesting the variance.

6 WENDY LEISERSON: Okay. Well, let's see if you
7 meet -- find, the Board finds that you meet the criteria for
8 a variance, and then we don't have to get into the sticky,
9 tricky, legal matters. Okay. Thank you.

10 RACHEL WATSKY: Thank you.

11 JIM MONTEVERDE: Okay. Thank you. Any other
12 questions from Members of the Board? If not, we have no
13 public comment in the record; none received either for or
14 against.

15 We do have correspondence from the Mid Cambridge
16 Neighborhood Conservation District Commission, dated March
17 13, 2025, issuing a Certificate of Non-Applicability. And
18 it reads, "The work described below does not involve any
19 activity requiring issuance of a Certificate of
20 Appropriateness or Hardship."

21 So that's not in question.

22 I will open it up to public comment.

1 Any members of the public who wish to speak should
2 now click the icon at the bottom of your Zoom screen that
3 says, "Raise hand." If you're calling in by phone, you can
4 raise your hand by pressing *9 and unmute or mute by
5 pressing *6.

6 I'll now ask Staff to unmute the speakers one at a
7 time. You should begin by saying your name and address, and
8 Staff will confirm that we can hear you. After that you
9 will have up to three minutes to speak before I ask you to
10 wrap up.

11 No one is calling in so I will close public
12 testimony. Any discussion among Members of the Board? Are
13 we ready for a motion? I'll make a motion.

14 And this is a Variance request?

15 RACHEL WATSKY: Yes.

16 JIM MONTEVERDE: The Chair makes a -- sorry?

17 RACHEL WATSKY: I just said yes. I wasn't sure if
18 you were asking. Sorry.

19 JIM MONTEVERDE: Okay. One second here.

20 The Chair makes a motion to grant relief from the
21 requirements of the Ordinance under Sections 7.16.21.b,
22 7.18.2, and the requirements under Section 10.30, 10.31 --

1 specifically that the Board finds that all of the following
2 conditions are met:

3 A literal enforcement of the provisions would
4 involve a substantial hardship.

5 The hardship is owing to the soil condition, shape
6 or topography of land or structures.

7 And desirable relief may be granted without either
8 substantial detriment to the public good or nullifying or
9 substantially derogating from the intent or purpose of this
10 Ordinance.

11 On the condition that the work proposed conforms
12 to the drawings entitled, "Atrius Health, Part of Optum,
13 1611 Cambridge Street." prepared by National Sign and dated
14 05/07/2024; initialed and dated by the Chair.

15 And further, that we incorporate the supporting
16 statements and Dimensional Form submitted as part of the
17 application.

18 On a voice vote, please? Wendy?

19 WENDY LEISERSON: In favor.

20 JIM MONTEVERDE: Thank you. Virginia?

21 VIRGINIA KEESLER: In favor.

22 JIM MONTEVERDE: Thank you.

1 JIM MONTEVERDE: Thank you. Daniel?

2 DANIEL HIDALGO: In favor.

3 JIM MONTEVERDE: Thank you. Steven?

4 STEVEN NG: In favor.

5 JIM MONTEVERDE: Thank you. And Jim Monteverde in
6 favor.

7 [All vote YES]

8 JIM MONTEVERDE: That's five in favor. The relief
9 is granted.

10 RACHEL WATSKY: Thank you so much.

11 JIM MONTEVERDE: You're welcome.

12 RACHEL WATSKY: Have a good night.

* * * * *

(7:00 p.m)

Sitting Members: Jim Monteverde, Steven Ng, Virginia
Keesler, Daniel Hidalgo, and Wendy
Leiserson

JIM MONTEVERDE: And the last case for this
evening is BZA-1154651 -- 1751 Mass Avenue.

Is there anyone calling in who wishes to describe
the relief requested?

Yael Gets Schoen: Yes. I'm here. I'm Yael Gets
Schoen; I'm the architect.

JIM MONTEVERDE: Okay. Thank you. Good evening.

Yael Gets Schoen: Good evening. So it is
currently -- it's a residential building that has commercial
uses in it. The two first floors, the first and the second
are dental offices. The third floor was regular offices.
It was rented to a psychologist.

The owner of the building -- he is here with us,
sir Dr. Chang -- he's a dentist. And he wants to move his
practice there, and he wants to renovate the building in
phases.

So at this point, we're focusing on the first

1 floor for his dental office on the basement for, you know,
2 extra space for that dental office, and the third floor for
3 offices for the foundation that the family created for a
4 memory of their daughter.

5 The second floor is going to eventually be a
6 dental office as well, but at this point we want to renovate
7 it very, very basic, just leave it open and then see, you
8 know, what we need to do inside later.

9 If we can go through the drawings, I can explain a
10 little bit about the building.

11 JIM MONTEVERDE: Really, if you could focus on the
12 items that are being modified, that require relief?

13 RACHEL WATSKY: Yes.

14 JIM MONTEVERDE: I believe there's a letter in the
15 file -- I'm looking for a date; I don't find a date -- that
16 rather nicely kind of breaks down the three components that
17 it describes you're asking relief for.

18 There's a ramp in the side yard setback. There
19 are window modifications, which I think happen on the left
20 and right side of the building. And then there are skylight
21 installations, and I believe that's in the right-side
22 setback.

1 Can you just walk us through those, so we
2 understand what those are?

3 Yael Gets Schoen: Yes, yes. But there is another
4 file that I would like you to open where I put the side-by-
5 side elevations, each one what's existing and what's
6 proposed so it's easier to see the changes. It's not part
7 of this set. I uploaded it separately. Yeah. There we go.

8 So we can start -- yeah, let's start with this.
9 This is the front elevation. So we want to change all the
10 windows, but not all of them are changing -- you know,
11 location and size.

12 On the front, what is changing is the front porch,
13 and we're proposing two windows in the basement that are
14 going to be full sized. So we're proposing a window well
15 for those as well.

16 And you also see on the side the top of the ramp.
17 And that's a handicapped ramp that we need in order to get,
18 you know, older patients into the first-floor clinic, coming
19 from the side.

20 So the rest of the windows, everything stays the
21 same.

22 Another thing you will see that I don't think we

1 need relief for, but we propose to put the condensers of the
2 HVAC system up on top of the flat roof of the dormer. It's
3 all existing, but in order to maintain that we need to put a
4 railing there. So that's one more difference. And we're
5 also proposing to remove the chimney.

6 If we can move to the next elevation?

7 This is the back elevation. So you see there are
8 some small window changes in terms of location, so they're
9 changing -- some of them are changing in size and some of
10 them are also changing position.

11 We tried to align them so it looks a little bit
12 less messy than it is currently. I mean, it's a pretty
13 messy, you know, back façade right now.

14 But we -- you know, the sizes of the windows and
15 the location are based on the layouts that we need on the
16 interior for the clinic to work properly.

17 And here you see also the beginning of the ramp
18 starting from the back where there's going to be an open
19 parking -- small parking area, so that the ramp is going to
20 start there and wrap around the side of the building, which
21 we're asking relief for, but I understand can be it's an ADA
22 ramp, we don't really -- you know, need the relief.

1 But that -- it's going to wrap around the side and
2 get into the -- you know, the same level of the new front
3 porch. It's all going to be flush with the first floor.

4 The next elevation?

5 This is the side elevation. You see also, you
6 know, there is bay; we're not changing the bay. We are
7 going proposing the new window on the left side of the bay
8 on the second floor, and we're aligning it with the window
9 below.

10 And on the right side of the bay where -- you
11 know, there used to be kind of three different windows that
12 are different in size and in location, we're suggesting to
13 have two, you know, full-sized proper kind of aligned
14 windows.

15 And here you also see the two skylights that we're
16 suggesting to have on -- in the roof.

17 JIM MONTEVERDE: And I think from the plot plan,
18 we have another doc/plan E-100. Basically, indicates that
19 this entire face of the building is within the side yard
20 setback, which is what you need relief for.

21 Yael Gets Schoen: Yeah.

22 JIM MONTEVERDE: Right?

1 Yael Gets Schoen: It's -- it's a --

2 Jim Monteverde: Yeah.

3 Yael Gets Schoen: -- tight lot. It's very small.
4 Yeah.

5 Jim Monteverde: It's the right-side setback.
6 Okay.

7 Yael Gets Schoen: Yeah. And then -- yeah. Next
8 one? Yeah. This is the other side. This is the side where
9 you see most of the ramp that kind of wraps around -- starts
10 from the back, wrapping around the side and then getting to
11 the new front porch. So it's all going to be flush for the
12 handicapped.

13 The existing dormer we're not ready to -- we're
14 proposing to replace the windows, but not to change the
15 location or the sizes. You see the little railing that I'm
16 showing on top -- you know, just to have that maintenance
17 for the condensers.

18 And then, you know, the windows that we're
19 changing here, we're also trying to make them a little bit
20 more organized on the façade, so a little bit more aligned
21 and centered on each other, relative to what's there.

22 We're clearly removing those two doors, because we

1 need that ramp to wrap around and go in from the front. So
2 the basement egress is going to change here, and it's going
3 to be from the two main stairs that we're proposing new
4 ones, code-compliant ones.

5 And the two basement windows are just going to
6 have to be blocked by the ramp. We're not changing them.
7 We're keeping them, but they're going to be blocked.

8 So that's basically what we're proposing in terms
9 of the exterior of the building.

10 JIM MONTEVERDE: Can you find this sheet E-100?
11 There we go.

12 The one sheet that we're bringing up, E-100, on
13 the same drawing both sides. I found this one helpful.

14 It basically shows the shaded area is really your
15 allowed building zone, and it basically explains why all of
16 the openings on the left side setback require a special
17 permit. It shows that all of the openings -- window
18 openings on the right-side setback are within the setback
19 and therefore need the special permit.

20 It shows the couple -- not all of the openings on
21 the -- within the rear setback require relief, but some of
22 them do, and not all of the openings on the front façade

1 require relief, but some of them do -- the ones that are in
2 the side yard setback.

3 And I think it also -- it also shows that the
4 skylight openings are in the right-side setback.

5 So anyway, this was just a helpful diagram for me
6 to understand why the relief was required.

7 Okay. Is there anything else to describe to us?

8 Yael Gets Schoen: If you're going to scroll to
9 A-100, you're going to see the same thing, just the
10 proposed, not the -- that was the existing. And then you
11 will see also where we proposed to have the ramp -- there we
12 go.

13 So here you see the ramp on the side -- it's
14 starting from the back, going around the side into the new
15 front porch. The front porch is going to face the street.
16 So the new steps are going to face the street, rather than
17 come from the side, and the back area, we're not asking
18 relief for that, but there is a one-car kind of detached
19 garage that is not being used. We propose to remove that so
20 we can fit four cars, you know, in the back there.

21 Jim Monteverde: Okay. Thank you. Any questions
22 from Members of the Board?

1 And just to repeat, as the application says, this
2 is a special permit. And this is to change windows on
3 façades that are within setbacks.

4 And that's really the right side and the left
5 side, and in part the front and rear, and the addition of
6 skylights to the right. The skylights are in the right-side
7 setback. And that is the relief that's being requested as a
8 special permit.

9 Any questions from Members of the Board? If not,
10 I'll open it up to public comment. there's no
11 correspondence in the file either for or against. So let me
12 open it to public comment.

13 Any members of the public who wish to speak should
14 now click the icon at the bottom of your Zoom screen that
15 says, "Raise hand." If you're calling in by phone, you can
16 raise your hand by pressing *9 and unmute or mute by
17 pressing *6.

18 I'll now ask Staff to unmute speakers one at a
19 time. You should begin by saying your name and address, and
20 Staff will confirm that we can hear you. After that you
21 will have up to three minutes to speak before I ask you to
22 wrap up.

1 No one calling in tonight. No one's calling in,
2 so we've closed public testimony. Any discussion among
3 Members of the Board? If not, I will move to a motion. And
4 this, again, is a special permit.

5 The Chair makes a motion to grant relief from the
6 requirements of the Ordinance under Sections 5.33, Table of
7 Dimensional Requirements, that's really the left side --
8 that's really the setbacks; 8.22.2 can't make this out; a?
9 Nonconforming Structure; and 10.40 which I will read the
10 Requirements for a Special Permit. And that is:

11 a) It appears the requirements of this Ordinance
12 cannot or will not be met. That is correct.

13 b) Traffic generated or patterns of access or
14 egress would cause congestion, hazard, or substantial
15 change. It will not.

16 c) The continued operation of or the development
17 of the adjacent uses as permitted in the Zoning Ordinance
18 would be adversely affected. They will not.

19 d) Nuisance or hazard would be created to the
20 detriment of the health, safety, or welfare of the occupant
21 of the proposed use. They will not. And

22 e) For other reasons, the proposed use would

1 impair the integrity of the district or adjoining district.

2 And it will not.

3 So we find that all of the criteria of Section
4 10.43 for a Special Permit are met.

5 On the condition that the work proposed conform to
6 the drawings entitled, "1751 Mass Avenue," prepared by
7 Architectural Design and Real Estate Development and dated
8 February 21, 2025; initialed and dated by the Chair.

9 And further, that we incorporate the supporting
10 statements and Dimensional Form submitted as part of the
11 application.

12 Board Members, on a voice vote, Wendy?

13 WENDY LEISERSON: In favor.

14 JIM MONTEVERDE: Thank you. Virginia?

15 VIRGINIA KEESLER: In favor.

16 JIM MONTEVERDE: Thank you. Daniel?

17 DANIEL HIDALGO: In favor.

18 JIM MONTEVERDE: Thank you. Steven?

19 STEVEN NG: In favor.

20 JIM MONTEVERDE: Thank you. And Jim Monteverde in
21 favor.

22 [All vote YES]

1 JIM MONTEVERDE: That's five in favor. The relief
2 is granted. Thank you.

3 YAEL GETS SCHOEN: Thank you very much.

4 JIM MONTEVERDE: And Board Members, thank you and
5 good evening.

6 COLLECTIVE: Thank you. Goodnight. Nice to see
7 you all. Thanks. Goodnight.

8 JIM MONTEVERDE: Goodnight.

9 COLLECTIVE: Goodnight.

CERTIFICATE

Commonwealth of Massachusetts

Middlesex, ss.

I, Elizabeth McAvoy, Notary Public in and for the
Commonwealth of Massachusetts, do hereby certify that the
above transcript is a true record, to the best of my
ability, of the proceedings.

I further certify that I am neither related to nor
employed by any of the parties in or counsel to this action,
nor am I financially interested in the outcome of this
action.

In witness whereof, I have hereunto set my hand this
fifth day of May 2025.

Elizabeth C. McAvoy

Notary Public

My commission expires:

November 17, 2028
