

Catering Only Online Permit Application

The applicant will be required to supply all the information requested. Submit it for review by the Sanitary Inspector. Provided all information is supplied, you will receive a notice that the invoice is available to be paid on line. Upon payment to the City of Cambridge, the permit will be approved and the permit document will be emailed. The permit document must be printed and posted at work site. If the inspector requires additional information prior to approval, they will email or telephone you to discuss.
