

Online Dumpster License Online Application

The applicant will be required to supply all the information requested. Please read each bullet item below:

Search address - when entering the address where work will be done, please note ADDRESS FIELD 1 is for the STREET NUMBER and ADDRESS FIELD 2 is for the STREET NAME.

All fields with an **!** are required fields. The permit request will not submit when a required field is left blank.

All "Required" attachments must be included in a .pdf format upon submittal:

- Plan indicating where dumpster will be placed on lot.
- Copy of signed waste hauler contract
- Copy of signed pest control contract

Note permit number in pop-up.

Fee must be paid. After clicking on "Finish" on attachment page write down the number that appears in the box. Log-off and log-in to activate invoice. Scroll down to the invoices section at bottom of page. Select the invoice and proceed through payment process. A convenience fee for credit /debit card is 2.5%. A convenience fee of \$2.00 for personal or business checking account.

Upon approval you will receive via mail or in hand a sticker that must be posted at work site. Do not place the sticker on the dumpster in case the dumpster is switched out.

If payment is not received, the license application will not be processed.
