

# Did You

# Know.....

**That a weatherized home could save you up to 20% or more a year in fuel costs.**

- **The Weatherization Program** can provide insulation, weather stripping, air sealing and more at no cost to you or your landlord.

**Compact fluorescent light bulbs use less energy and last longer than incandescent light bulbs.**

- **The Electrical Appliance Audit Program** can provide an Energy Audit, energy efficient light bulbs, water conservation materials, and possibly a new refrigerator or freezer if the existing appliance is using too much energy.

**Reducing your heating energy use is the single most effective way to save money.**

### **Burner Repair/Replacement Program**

- Repairs or replace in-operable or inefficient furnaces and boilers for homeowners, and in some cases, tenants.
- Spring and Summer tune ups may be performed for both owners and renters.

### **And Did You Know**

**That your Fuel Assistance application serves as your application for all these programs and more.....**

**All programs are available at no cost to eligible clients. Requirements for eligibility vary among the programs.**
