Cambridge Business Diversity Directory

May 2019

This Cambridge Business Diversity Directory lists businesses owned by women or minorities, including people of color, veterans, persons with disabilities, LGBTQ+ owners, and business owners of Portuguese decent. These categories align with the Massachusetts Supplier Diversity Office, which certifies diverse businesses in the Commonwealth of Massachusetts. Businesses do not need to be state certified to be listed in this directory.

The Cambridge Business Diversity Directory is intended to celebrate and highlight the diverse independent and locally-owned small businesses and sole proprietors whose place of business is in Cambridge. For the purposes of this directory, a “small business” is defined as a for-profit entity with goods and services available to the public and whose ownership structure is not a franchise or a formula-based business.

The Cambridge Business Diversity Directory serves as a marketing and networking tool to connect women-owned and minority-owned businesses with companies, institutions, and consumers who are seeking opportunities to support this specific business community. It is not intended for solicitation purposes. The businesses listed in this directory range in longevity, from those that recently opened in Cambridge to legacy businesses that have been in operation over 50 years. Business owners listed in this edition have voluntarily elected to be listed as self-identifying members of one or more of the six diversity categories determined by the state. Though the Cambridge Business Diversity Directory is updated annually, it is not a comprehensive representation of the many diverse small businesses operating in Cambridge.

Businesses have been screened for [eligibility requirements](#) prior to being listed in this directory, but inclusion in the Cambridge Business Diversity Directory does not indicate an endorsement of any kind by the City of Cambridge. Anyone wishing to enlist the services of a business listed in this directory is encouraged to conduct their own research or interview prior to conducting business.

To submit your business to the next edition of the Cambridge Business Diversity Directory, visit cambridgema.gov/DiversityDirectory and fill out the online form or contact Rona Abrahams at rabrahams@cambridgema.gov or (617) 349 4637.

CITY OF CAMBRIDGE

Cambridge Business Diversity Directory

The Community Development Department (CDD) is the planning agency for the City of Cambridge. With five programmatic divisions, Community Planning, Housing, Economic Development, Environmental and Transportation Planning and Zoning and Development, CDD takes an interdisciplinary approach to manage and guide physical change in a manner consistent with the City's priorities, engaging and collaborating with community partners and other government agencies to make Cambridge a desirable place to live and work.

CDD's Economic Development Division is responsible for a wide range of activities designed to meet the City's need for a diversified and thriving economic base. We promote thriving commercial districts; cultivate a supportive environment for small businesses and women and minority-owned businesses; and market Cambridge as a desirable business location. We offer a variety of resources and services, including site search and selection assistance, one-on-one meetings with staff, business workshops and classes, expert consulting services, and grants for accessibility, interior, and storefront improvements.
