Saturday, May 11: 5th Annual National Train Day Bike Tour, 9:00 AM

Leaves from North Station, 9:00 AM

Boston Cyclists Union Presents the 5th Annual National Train Day Bike Tour. Meet Saturday May 11, 2013, at North Station at 9:00AM. Make sure that you leave enough time to buy your ticket and get onto the train to Hamilton/Wenham by 9:15! The route is about 32 miles and most of it is fairly level. One of the rail trails is crushed stone, so hybrids are suggested, but it is quite rideable on a road bike. We will ride about 10 miles per hour, with numerous stops, so the ride should be an easy one for most cyclists. We'll stop for lunch along the way, and get back to Boston by late afternoon. People who want a shorter ride may leave the ride in Wakefield (19 miles) and take the train back to Boston. Helmets required. Steady rain cancels.

Thursday, June 27: Boston MPO UPWP and TIP Review, 10:00 AM

conference rooms 2 and 3 of the State Transportation Building, 10 Park Plaza, in Boston

The Boston Region Metropolitan Planning Organization (MPO) is circulating for public review and comment two important transportation planning documents: 1) the Draft Federal Fiscal Years (FFYs) 2014–17 Transportation Improvement Program and Air Quality Conformity Determination (TIP), and 2) the Draft FFY 2014 Unified Planning Work Program (UPWP). The Draft FFYs 2014–17 TIP lists the highway and transit projects that will receive federal funding within the scope of the document. The FFY 2014 UPWP shows the federally funded transportation-planning activities for the region that are proposed for programming and implementation during that year.

The 30-day public comment period for the draft UPWP and TIP will begin on Monday, May 20, 2013, and will end at 5:00 PM on Tuesday, June 18. The MPO is planning to take action on these two documents at its meeting scheduled for June 27, 2013. For details, including information on the meeting and copies of the draft documents, refer to the MPO's website, www.bostonmpo.org, beginning May 20. Also on its website are the MPO's nondiscrimination statement and related information. Copies of the documents may also be obtained by contacting MPO staff: by mail at 10 Park Plaza, Suite 2150, Boston, MA 02116-3968; by voice at (617) 973-7100; by TTY at (617) 973-7089; by fax at (617) 973-8855; or by email at publicinformation@ctps.org

Help Promote the National Bike Challenge

MassBike is happy to announce the launch of Massachusetts' participation in the National Bike Challenge. The National Bike Challenge is sponsored by the League of American Bicyclists in partnership with Kimberly-Clark, and MassBike is the statewide sponsor for Massachusetts. The NBC runs through the end of September, and there will be prize drawings monthly for participants who log trips. With the explosion of bicycling in the Commonwealth over the past several years, we hope to see Massachusetts rise to the top of the list of bicycling states

MEETINGS

June 4-5: Cambridge Delegation Partners with MassDOT to Host Ethanol Train Meetings

The Cambridge legislative delegation invites residents, homeowners, local businesses, and community organizations to join them for two public forums about a plan proposed by Global Partners to transport ethanol through the City of Cambridge using the existing rail system. To facilitate participation, two forums will be held. The first meeting will occur on **June 4 at 5:30pm at the King Open School, 850 Cambridge St., Cambridge**. The second meeting will take place on **June 5 at 6:15pm at Graham and Parks School, 44 Linnaean St., Cambridge**.

Representatives from the Massachusetts Department of Transportation will present the findings of their ethanol safety study and answer questions from the public. Following this presentation, elected officials will facilitate an open discussion about the proposed plan and explore opportunities for public involvement.

The meetings will be hosted by the Cambridge legislative delegation, including Representatives Toomey, Decker, Rogers, and Hecht, and Senators Petrucci, Jehlen, and DiDomenico.

MassDOT's ethanol safety study and related documents can be found at

<http://www.massdot.state.ma.us/planning/Main/CurrentStudies/EthanolSafetyStudy.aspx>

Any questions regarding the meeting may be directed to Dan Weber at Daniel.Weber@mahouse.gov or (617) 722-2380.

Thursday, June 27: Boston MPO UPWP and TIP Review, 10:00 AM

conference rooms 2 and 3 of the State Transportation Building, 10 Park Plaza, in Boston

The Boston Region Metropolitan Planning Organization (MPO) is circulating for public review and comment two important transportation planning documents: 1) the Draft Federal Fiscal Years (FFYs)

2014–17 Transportation Improvement Program and Air Quality Conformity Determination (TIP), and 2) the Draft FFY 2014 Unified Planning Work Program (UPWP). The Draft FFYs 2014–17 TIP lists the highway and transit projects that will receive federal funding within the scope of the document. The FFY 2014 UPWP shows the federally funded transportation-planning activities for the region that are proposed for programming and implementation during that year.

The 30-day public comment period for the draft UPWP and TIP will begin on Monday, May 20, 2013, and will end at 5:00 PM on Tuesday, June 18. The MPO is planning to take action on these two documents at its meeting scheduled for June 27, 2013. For details, including information on the meeting and copies of the draft documents, refer to the MPO's website, www.bostonmpo.org, beginning May 20. Also on its website are the MPO's nondiscrimination statement and related information. Copies of the documents may also be obtained by contacting MPO staff: by mail at 10 Park Plaza, Suite 2150, Boston, MA 02116-3968; by voice at (617) 973-7100; by TTY at (617) 973-7089; by fax at (617) 973-8855; or by email at publicinformation@ctps.org

ACTION, ANNOUNCEMENTS and NEWS

PARKing Day 2013 is coming your way. Friday, September 20, 2013 – apply for a spot today!

The Cambridge Community Development Department (CDD) seeks creative folks to participate in the official City of Cambridge PARK(ing) Day celebration, an international event in which metered parking spaces are transformed into engaging “parks” for one day of the year. Have a great idea for transforming a parking space into a park? Let us know about it! Previous years have focused on many different themes including, but not limited to: Shakespeare in the park, lemonade stands, book swaps, hula hoop lessons, chalk drawings, games, dog parks, and music. To apply, fill out the application here: <http://bit.ly/115XlqV>. For more information, contact Jennifer Lawrence at 617-349-4671 or jlawrence@cambridgema.gov.
