Real-Time Transit Information

No more standing at a bus stop wondering when the next bus will arrive. The T has more than 45 downloadable real-time information apps for smartphones, tablets, and computers. There's even a text option for plain ol' cell phones. Riding the bus just got easier!

mbta.com/rider_tools/apps

Other Useful Tools

MBTA Trip Planner

mbta.com/rider_tools/trip_planner

Enter your starting point and destination and optimize your trip by time, number of transfers, mode (bus or train), and walking distance at either end.

Google Maps for Transit Info

Find transit information and real-time information on some routes. Enter a start and finish point and get directions, then click the train icon for transit information. Three routes are displayed based on your departure time, you can choose the date and time to leave or arrive by as well.

T-Alerts

talerts.com

Choose up to three lines of service (e.g. Red Line subway, 69 bus, 77 bus) to receive alerts by email, text, or both. When there is a service delay, outage, or emergency, a message is automatically sent telling you the nature of the problem, the expected delay, and when the incident happened.

Massachusetts Bay Transportation Authority (MBTA) Basic Information

Visit mbta.com for more information.

Discounted Fares

mbta.com/fares_and_passes/reduced_fare_programs

Seniors (65 and older with Senior T card) can get discounts on nearly all services (\$0.40 bus, \$0.60 subway, 50% off commuter rail tickets, etc).

Junior high and high school students ride the T for 50% off the price of standard T fares and are eligible for a \$20/month Student T-Pass good for unlimited rides on the subway, buses, and Commuter Rail Zones 1A, 1 and 2 until 11 p.m. on school days.

Up to two children (age 11 and younger) ride free with each paying adult.

Persons with disabilities can qualify for discounts on subway and bus travel by filling out a Transportation Access Pass application. Blind persons always ride free, but must have a Blind Access CharlieCard.
