

Cambridge Street Bicycle Safety Demonstration Project

COMMUNITY MEETING
Tuesday, April 25TH

To help improve bicycle safety in your neighborhood, the City is currently developing design plans to provide a separated bike lane on both sides of Cambridge Street from Quincy Street to Antrim Street (*see image below*). We encourage you to attend this first public meeting to learn more about the design, meet the project team, and provide your feedback.

COMMUNITY MEETING

Tuesday, April 25TH, 6-8 PM

Cambridge Rindge & Latin School Media Café

459 Broadway (*use main school entrance*)

City staff will have a brief presentation on the project background and design progress, following a question and answer session, where attendees can speak with project staff about the design.

A typical separated bike lane against a curb
