Re: PB Case No. 288
40 Thorndike Street

Dear Ms Paden:

Please accept this correspondence as a request for a one year extension of time for the above-captioned Special Permit. On September 28, 2017 the Massachusetts Supreme Judicial Court rejected the Plaintiff's request for Further Appellate Review of the Appeals Court ruling upholding the Special Permit issued by the Board in this case.

I would request that this matter be placed on the September 17th agenda of the Planning Board.

Thank you for your anticipated cooperation.

Very truly yours

James J. Rafferty
