Thank you so much for your interest in the DHSP Preschool Programs. Currently, we are freezing our Preschool waitlist so we can review our current waitlist and enrollment policies and procedures. At this time, our preschool classrooms are fully enrolled for the 2017-2018 school year. Therefore, we will not be accepting any additional Waitlist Request Forms for Preschools until we re-open the Preschool waitlist.

We have received feedback over the years about how difficult and confusing the waitlist and enrollment process can be for families and we take that feedback very seriously. It is important that we freeze the waitlist, so we can take the time to fully analyze our current policies and procedures and make necessary changes in order to best serve all Cambridge families. At this time, the process for enrolling in our Afterschool programs will remain the same.

We are sorry for any inconvenience this may cause you. If you would like to be notified when we re-open the Preschool waitlist, please leave your name and email address. When we re-open the waitlist, we will send an email to all interested families at that time. If you do not have a current email address, please leave your phone number, so we can contact you after we send the email notification. Thank you for your time.

Sincerely,

Meghan M. White
