Children’s Swim Programs

Please refer all your questions concerning group and level placement to this staff member. Instructors are not part of this process; please only raise progress concerns with them and not placement concerns. Thank you for your cooperation in this matter.

The Cambridge Sea Dawgs is a 100% volunteer non-profit organization that promotes competitive swimming as well as an active lifestyle and introduces swimming as a lifetime sport! The mission of the program is to provide an inclusive environment for all participants through dedication to sportsmanship and healthy competition.

Our program is open to any child between the ages of 6–18 who can successfully swim a continuous 25 yards of freestyle, backstroke, and breaststroke (without assistance or stopping). A basic understanding of butterfly is also expected. Please keep in mind this is **not** a learn to swim program; any swimmer interested in joining our team must have prior swim knowledge and instruction. Fundamentals of each competitive stroke is required.

We welcome all past Sea Dawgs and newcomers to sign up for this session of Sea Dawgs! This season will be structured differently as we navigate through the ongoing pandemic. This session will provide an opportunity to become reacquainted with the pool and get back into swim shape! While no outside competitions have been scheduled at this time, intersquad meets and events will take place throughout the session, pending pool availability and COVID-19 health and safety guidance from the City of Cambridge and Cambridge Public Health Department.
