{ Welcome }

Dear Friends and Families;

Welcome back! We are looking forward to seeing all your familiar faces, and some new ones, this year and hope you enjoy the fun program schedule for this fall! There are some new changes happening at FMCS this year and we can not wait to get started.

We are very excited to announce that Community Schools have shifted from a 3 session structure to 2. This means our Fall Session will extend to February 17th and no additional registration necessary in January! An added benefit, we get to start right back up following December break. Our Spring Session will begin following February vacation on February 27th.

*Parents and community members are encouraged to join our Neighborhood Council. The Neighborhood Council serves as an advisory group to the Community School director and meets the second Tuesday of each month. **Our fall meeting dates are September 13th, October 11th, November 8th & December 13th.** Refreshments will be served, childcare will be provided by our afterschool staff.*

We are thrilled to be back at FMA and are excited to dive into all the fun we have planned for this fall!

Sincerely,

*Jessica C. Pegg
Community School Director
Fletcher Maynard Community School*

{ **TRANSPORTATION** }

Community Schools Bus Policy

The Community School Programs offer afterschool enrichment classes in every elementary school in Cambridge. Most children attend the classes at the Community School located in their school building. Some families prefer to have their children attend classes in the school building located in their neighborhood. If an established bus route exists from a child's school to the preferred Community School, very often the Cambridge Public Schools are able to transport children to that Community School. Parents/guardians need to make transportation arrangements with the Cambridge Public Schools.

In an effort to support families, beginning this year a staff person from Community Schools will be available in front of the school to greet children under the age of 9 arriving by bus and will escort them into the school. Children age 9 and older who have parental permission may enter the school on their own.

To avoid disrupting ongoing classes and to support children's full participation in the enrichment classes, children must arrive no earlier than 15 minutes prior to the start of Community School Program and no later than 1 hour past the program start time. For a breakdown by school of the times that children may arrive for programs, please refer to the schedule on the next page.
