Kennedy Longfellow School families and neighborhood residents,

We hope you and your family had a safe and enjoyable summer. We welcome our students back from our summer camp and look forward to meeting our new students.

Our Fall afterschool enrichment programming will begin on Monday, September 17 and will continue until Friday, February 15, 2019. Please feel free to stop by our office located on the first floor, Room 111 to say hello and see what our programs have to offer. The Community School office will be open for registration 10:00am-12:00pm and 2:00-4:30pm beginning Monday, September 10th through Friday, September 14th.

It is a program requirement that registration forms and class fees be received before a child begins the Fall session. Please complete all registration forms so that there are no delays with your child receiving services. The last day to register for enrichment classes is Friday, September 14th.

A limited number of partial financial scholarships are available for income-qualified families. Please request a financial scholarship application. Income documentation is required (W2 form/4 most recent paystubs). Financial assistance applications must be returned to our office no later than Friday, September 21, 2018.

Our goal is to serve the Kennedy community in the best manner possible. We will continue to work very closely with school administration to provide your child with programming that will enhance the school day. We welcome your ideas and suggestions and encourage residents and Kennedy Longfellow School parents to join our Neighborhood Community Council. Our first meeting is Wednesday, October 3 at 6pm in the Longfellow Activity Room. (childcare available for ages 4+)

In closing, we are looking forward to new and returning families participating in our program. If you have any questions or concerns, please contact me at (617) 349-6308 or e-mail at ssantos@cambridgema.gov.

Best regards,

Shirley Santos, Director

The Department of Human Services will provide auxiliary aids and services, written materials in alternative formats, and reasonable modifications in policies and procedures to persons with disabilities upon request. DHSP will provide reasonable accommodations to individuals with disabilities who meet the basic eligibility requirements of the OST Programs or who with the provision of reasonable accommodations will be able to meet the basic eligibility requirements to facilitate equal participation for those individuals in existing OST Programs.

Bus Policy

The Community School Programs offer afterschool enrichment classes in every elementary school in Cambridge. Most children attend the classes at the Community School located in their school building. Some families prefer to have their children attend classes in the school building located in their neighborhood. If an established bus route exists from a child's school to the preferred Community School, very often the Cambridge Public Schools are able to transport children to that Community School. Parents/guardians need to make transportation arrangements with the Cambridge Public Schools.

In an effort to support families, beginning this year a staff person from Community Schools will be available in front of the school to greet children under the age of 9 arriving by bus and will escort them into the school. Children age 9 and older who have parental permission may enter the school on their own.

To avoid disrupting ongoing classes and to support children's full participation in the enrichment classes, children must arrive no earlier than 15 minutes prior to the start of Community School Program and no later than 1 hour past the program start time. For a breakdown by school of the times that children may arrive for programs, please refer to the schedule below:
