M.L King Jr. Neighborhood Council

Our goal is to provide innovative programming that responds to the needs of this community and we are always searching out new ideas. The Neighborhood Council, which is always open to all King School parents and residents, helps to determine our mission.

The Council meets every other month and provides a forum to address program quality and content, as well as safety and neighborhood issues.

We also sponsor community events and activities, such as early release day activities for school children, community gatherings, neighborhood park improvements, winter and spring vacation programs and summer camp.

Community Schools Bus Policy

The Community School Programs offer afterschool enrichment classes in every elementary school in Cambridge. Most children attend the classes at the Community School located in their school building. Some families prefer to have their children attend classes in the school building located in their neighborhood. If an established bus route exists from a child’s school to the preferred Community School, very often the Cambridge Public Schools are able to transport children to that Community School. Parents/guardians need to make transportation arrangements with the Cambridge Public Schools.

In an effort to support families, beginning this year a staff person from Community Schools will be available in front of the school to greet children under the age of 9 arriving by bus and will escort them into the school. Children age 9 and older who have parental permission may enter the school on their own.

To avoid disrupting ongoing classes and to support children’s full participation in the enrichment classes, children must arrive no earlier than 15 minutes prior to the start of Community School Program and no later than 1 hour past the program start time. For a breakdown by school of the times that children may arrive for programs, please refer to the schedule below:
